CP WRECKER SERVICE, LLC,

INFORMAL DOCKET C-18565

Petitioner

CERTIFICATE F4924

ORDER

**BY THE COMMISSION:**

By Commission Order entered in this proceeding dated September 13, 2016, Motor Carrier Certificate F4924 held by CP Wrecker Service, LLC, 1047 Opelika Road, Suite B, Auburn, Alabama 36830, was revoked due to the Petitioner's failure to maintain proper proof of liability and cargo insurance coverage as required by law.

On or about November 1, 2016, the Petitioner submitted documentation that the liability and cargo insurance coverage required by law had been maintained in full force and effect continuously, but proper proof of such coverage did not reach the Commission due to an error by the insurer in submitting the required Forms E and H.

As the Petitioner has satisfactorily demonstrated that the required liability and cargo insurance coverage has been properly maintained and the Forms E and H demonstrating such coverage have now been properly presented, it appears that the effective date of the Order of Revocation issued on September 13, 2016, should be extended.

Therefore, pursuant to the Commission's Order in Informal Docket U-4716, dated January 17, 2006, the effective date of the Order of Revocation issued on September 13, 2016, is hereby extended to and through December 30, 2016.

Jurisdiction in this proceeding will be retained for any Commission order or orders, including general orders, that may appear to be warranted in the future.

By the Commission,
