RE: Tropical Storm Lee – Force Majeure Declaration

Dear Mr. Thomas:

Pursuant to Section 4.5.2 of AT&T Alabama's Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Alabama hereby declares a force majeure event in the attached NPAs/NXXs as of September 5, 2011, due to Tropical Storm Lee. The measures affected due to the force majeure event include all measures associated with Provisioning, Maintenance and Repair, and Trunk Group Performance. Severe weather adversely affected the State of Alabama with storms that produced damaging winds, heavy rain and flooding.

It will take some time for AT&T Alabama to recover and regain normal installation and repair activities. AT&T Alabama will provide updates to our recovery efforts and advise the Commission when the service emergency period is concluded. AT&T Alabama views the severe weather conditions as a force majeure event relieving AT&T Alabama of penalty obligations under the SEEM Plan.

If you have any questions concerning this matter, please call me at (205)714-0717.

Sincerely,

CWH/mhs
