Attention: G. Scott Morris, Administrative Law Judge

I am in receipt of your letter reference Docket 26112, Certificate F1210.
Law Trucking is still leased to D A L Trucking to haul from Sherwood Mining in
Sherwood, TN to TVA Widows Creek in Stevenson, AL for the remainder
of 2011. Next year is the last of the contract. Is it possible to suspend the
operating authority of Law Trucking for another year?

Sincerely,
