**RE: TNC PERMIT RENEWAL APPLICATION
FOR UZURV HOLDINGS, INC. D/B/A UZURV**

DOCKET 33063

PERMIT TNC-4

ORDER

BY THE COMMISSION:

Pursuant to Rule TNC-3, in order to renew a transportation network company ("TNC") permit, a TNC shall submit a permit renewal form on or before the close of business on July 1st each year. To renew its TNC permit, UZURV Holdings, Inc. d/b/a UZURV ("UZURV") submitted an APSC Form TNC-2 on June 8, 2026. APSC Form TNC-2 requires a TNC to affirm compliance with the statutory requirements as compiled in Rule TNC-3 and to submit any documents that were included in the initial TNC permit application that have changed since the submission of the initial permit application.

Commission Staff reviewed UZURV's permit renewal application and the submitted documents that have changed since the initial permit application. Based on this review, Commission Staff concluded that UZURV meets the statutory and regulatory requirements to operate as a TNC in the State of Alabama and recommended that UZURV's TNC permit be renewed for this year beginning July 1, 2026.

IT IS THEREFORE ORDERED, that Permit TNC-4 is hereby renewed for UZURV Holdings, Inc. d/b/a UZURV with an effective date of July 1, 2026.

IT IS FURTHER ORDERED, that the operations herein authorized shall be subject to all the rights, privileges, and immunities, as well as all the restrictions, liabilities, and responsibilities that are now or may hereafter be imposed upon TNCs by law or by the rules and regulations of this Commission.

IT IS FURTHER ORDERED, that jurisdiction in this cause is retained for whatever order or orders deemed appropriate by the Commission.

DONE at Montgomery, Alabama this 8th day of July 2026.
