This Agreement will be effective only upon execution by both Parties unless prior Commission approval is required, in which case this Agreement shall be effective upon Commission approval; except that the initiation of a new CLEC account, any new provision of service or obligation or any revision to currently existing services or obligations shall not take effect for 60 days to accommodate required initial processes. The "Effective Date" of this Agreement for all purposes will be the latest date reflected by the signing Parties.

2.2 Term. This Agreement shall be effective as of the Effective Date and, unless cancelled or terminated earlier in accordance with the terms hereof, shall continue in effect until two years after the effective date (the "Initial Term"). If neither Party elects to terminate this Agreement as of the date of termination of the Initial Term, this Agreement shall continue in force and effect on a month-to-month basis (each one-month period constituting a "Follow-on Term") unless and until cancelled or terminated as provided in this Agreement.

2.2.1 Notwithstanding the above, CenturyLink at its discretion may terminate this Agreement after twelve consecutive months of inactivity on the part of Granite. Inactivity is defined as Granite's failure to initiate the required pre-ordering activities, Granite's failure to submit any orders pursuant to this Agreement's terms or Granite's failure to originate or terminate any Local Traffic pursuant to this Agreement's terms.

2.3 Notice of Termination. Either Granite or CenturyLink may terminate this Agreement effective upon the expiration of the Initial Term by providing written notice of termination ("Notice of Termination") at least ninety (90) calendar days in advance of the applicable date of termination. Either Granite or CenturyLink may terminate this Agreement effective upon the expiration of a Follow-on Term by providing a written Notice of Termination at least thirty (30) calendar days in advance of the applicable date of termination.

2.4 Effect on Termination of Negotiating Successor Agreement. If either Granite or CenturyLink provides notice of termination pursuant to Section 2.3 and, on or before the noticed date of termination, either Granite or CenturyLink has

requested negotiation of a new resale agreement, this Agreement shall remain in effect until the earlier of: (a) the effective date of a new resale agreement between Granite and CenturyLink; or, (b) the date 180 calendar days after the date of termination identified in the Notice of Termination. If a new interconnection agreement has not been approved by 180 days after the date of termination identified in the Notice of Termination, then CenturyLink and Granite may mutually agree to continue to operate on a month to month basis under the terms set forth herein until (a) a new agreement has been approved or (b) until Granite ceases providing service in CenturyLink's exchanges. Should the Parties not agree to continue to operate under the terms set forth herein after 180 days, then the provisions of Section 2.5 shall be required. The foregoing shall not apply to the extent that this Agreement is otherwise cancelled or terminated in accordance with Section 2.6 (Termination Upon Default) or Section 2.7 (Termination Upon Sale).

- 2.5 Termination and Post-Termination Continuation of Services. If either Granite or CenturyLink provides notice of termination pursuant to Section 2.3 and, by 11:59 p.m. Central Time on the proposed date of termination, neither Granite nor CenturyLink has requested negotiation of a new resale agreement, (a) this Agreement will terminate at 11:59 p.m. Central Time on the termination date in accordance with the terms of this Agreement and identified in the Notice of Termination, and (b) the services and functions being provided by CenturyLink under this Agreement at the time of termination, including the exchange of local traffic, will be terminated unless the Parties jointly agree to other continuing arrangements. Granite may request that such services or functions continue to be provided pursuant to (i) an applicable Tariff(s) if the service is included in the same; (ii) other terms and conditions made generally available by the Commission to local Telecommunications Service providers, if any; or (iii) terms and conditions available under Section 252(i) of the Act, if elected by Granite. If Granite elects to have such services or functions continue pursuant to terms and conditions available under Section 252(i) of the Act, the continuation of such services and functions shall be governed by the terms and conditions adopted by Granite under Section 252(i). Should Granite fail to follow the terms of this Section 2.5, Granite agrees that its termination notice shall be invalidated and considered withdrawn and it shall continue to be accountable and liable for all its obligations under the terms of this Agreement

- 2.6 Suspension or Termination Upon Default. Either Party may suspend or terminate this Agreement, in whole or in part, in the event of a Default (defined below) by the other Party; *provided, however*, that the non-defaulting Party notifies the defaulting Party in writing of the Default and the defaulting Party does not cure the Default within thirty (30) calendar days of receipt of written notice thereof. Following CenturyLink's notice to Granite of its Default, CenturyLink shall not be required to process new service orders until the Default is timely cured.

"Default" is defined to include:

- (a) A Party's insolvency or the initiation of bankruptcy or receivership proceedings by or against the Party; or

- (b) The revocation by the Commission of a Party's Certificate of Operating Authority, or
- (c) A Party's violation of any material term or condition of the Agreement; or
- (d) A Party's refusal or failure in any material respect properly to perform its obligations under this Agreement, including but not limited to its refusal or failure to pay undisputed charges (pursuant to Section 9) within thirty (30) calendar days after the bill date.

2.7 Termination Upon Sale. Notwithstanding anything to the contrary contained herein, a Party may terminate this Agreement as to a specific operating area or portion thereof if such Party sells or otherwise transfers the area or portion thereof to a non-affiliate. The selling or transferring Party shall provide the other Party with at least sixty (60) calendar days' prior written notice of such termination, which shall be effective on the date specified in the notice. Notwithstanding termination of this Agreement as to a specific operating area, this Agreement shall remain in full force and effect in the remaining operating areas.

2.8 Liability Upon Termination. Termination of this Agreement, or any part hereof, for any cause shall not release either Party from any liability (i) which, at the time of termination, had already accrued to the other Party, (ii) which thereafter accrues in any respect through any act or omission occurring prior to the termination, or (iii) which accrues from an obligation that is expressly stated in this Agreement to survive termination.

2.9 Predecessor Agreements.

2.9.1 Except as stated in Section 2.9.2 or as otherwise agreed in writing by the Parties:

2.9.1.1 any prior resale agreement between the Parties for the State of Alabama pursuant to Section 252 of the Act and in effect immediately prior to the Effective Date is hereby terminated; and

2.9.1.2 any services that were purchased by one Party from the other Party under a prior resale agreement between the Parties for the State of Alabama pursuant to Section 252 of the Act and in effect immediately prior to the Effective Date, shall as of the Effective Date be subject to the prices, terms and conditions of under this Agreement.

2.9.2 Except as otherwise agreed in writing by the Parties, if a service purchased by a Party under a prior resale agreement between the Parties pursuant to Section 252 of the Act was subject to a contractual commitment that it would be purchased for a period of longer than one month, and such period had not yet expired as of the Effective Date and the service had not been terminated prior to the Effective Date, to the extent not inconsistent with this Agreement, such commitment shall

remain in effect and the service will be the prices, terms and conditions of this Agreement; provided, that if this Agreement would materially alter the terms of the commitment, either Party make elect to cancel the commitment.

- 2.9.3 If either Party elects to cancel the commitment pursuant to the proviso in Section 2.9.2, the purchasing Party shall not be liable for any termination charge that would otherwise have applied. However, if the commitment was cancelled by the purchasing Party, the purchasing Party shall pay the difference between the price of the service that was actually paid by the purchasing Party under the commitment and the price of the service that would have applied if the commitment had been to purchase the service only until the time that the commitment was cancelled.

3.0 APPLICABLE LAW

- 3.1 Applicable Law. The term Applicable Law, as used in this Agreement, shall mean all effective laws, statutes, common law, governmental regulations, ordinances, codes, rules, guidelines, orders, permits and approvals of any governmental authority (including, without limitation, the Commission and the FCC) that apply to the subject matter of this Agreement.
- 3.2 Rule of Construction. The Parties acknowledge that, except for provisions incorporated herein as the result of an arbitrated decision, if any, the terms and conditions of this Agreement have been mutually negotiated, and each Party has relied solely on the advice of its own legal counsel in accepting such negotiated terms and conditions. This Agreement shall be fairly interpreted in accordance with its terms. No rule of construction requiring interpretation against the drafting Party hereof shall apply in the interpretation of this Agreement.
- 3.3 Choice of Law and Venue. This Agreement shall be governed by and construed in accordance with the Act, applicable federal and (to the extent not inconsistent therewith) domestic laws of the State where the services are being provided, and shall be subject to the exclusive jurisdiction of the State or of the federal courts of Monroe, Louisiana. In all cases, choice of law shall be determined without regard to a local State's conflicts of law provisions.
- 3.4 Parties' Agreement to Comply with Applicable Law. Each Party shall remain in compliance with Applicable Law in the course of performing this Agreement.
- 3.4.1 Neither Party shall be liable for any delay or failure in performance resulting from any requirements of Applicable Law, or acts or failures to act of any governmental entity or official.
- 3.4.2 Each Party shall promptly notify the other Party in writing of any governmental action that limits, suspends, cancels, withdraws, or otherwise materially affects, the notifying Party's ability to perform its obligations under this Agreement.

Page 18

3.4.3 Each Party shall be responsible for obtaining and keeping in effect all FCC, Commission, franchise authority and other regulatory approvals that may be required in connection with the performance of its obligations under this Agreement.

3.5 Severability. If any provision of this Agreement is held by a court or regulatory agency of competent jurisdiction to be unenforceable or invalid under Applicable Law, such unenforceability or invalidity shall not render unenforceable or invalid any other provision of this Agreement, and this Agreement shall be construed as if it did not contain such unenforceable or invalid provision; provided, that if the unenforceable or invalid provision is a material provision of this Agreement, or the unenforceability or invalidity materially affects the rights or obligations of a Party hereunder or the ability of a Party to perform any material provision of this Agreement, the Parties shall promptly renegotiate in good faith and amend in writing this Agreement in order to make such mutually acceptable revisions to this Agreement as may be required in order to conform the Agreement to Applicable Law. If such amended terms cannot be agreed upon within a reasonable period, either Party may, upon written notice to the other Party, terminate this Agreement without penalty or liability for such termination.

II. OTHER GENERAL TERMS & CONDITIONS**4.0 AMENDMENTS**

Any amendment, modification, deletion or supplement to this Agreement must be in writing and signed by an authorized representative of each Party. The term “Agreement” shall include any such future amendments, modifications, deletions and supplements.

If a change in Applicable Law requires CenturyLink, pursuant to Section 12.2, to offer a new service under this Agreement, Granite may submit a written request to CenturyLink to amend this Agreement to add terms and conditions for the provision of the new service using either of the following options:

4.1 Option 1: CenturyLink will provide Granite with a form “Attachment” that will amend the Agreement. This Attachment will identify the specific terms and conditions of the Agreement affected by the change in Applicable Law and will set forth the specific terms and conditions to be amended that are applicable to the new service. CenturyLink also shall submit the executed form Attachment to the Commission for approval as required by 47 U.S.C. § 252(e). Granite may begin ordering the new service pursuant to the terms of the Attachment as soon as it executes the amended Attachment.

4.2 Option 2: If Granite desires to negotiate an amendment to the Agreement with terms and conditions for the new service that are different than those contained in CenturyLink’s form Attachment, Granite must send CenturyLink a request to negotiate. The Parties agree to negotiate in good faith the terms and conditions for the new service. Whether the Parties agree to acceptable terms and conditions through negotiations or resolve such terms and conditions through arbitration, the terms and conditions for the new service arrived at through this

Option 2 shall not become effective until they are approved by the Commission pursuant to 47 U.S.C. § 252(e).

5.0 ASSIGNMENT

Any assignment, in whole or in part, by either Party of any right, obligation, duty or interest arising under the Agreement without the written consent of the other Party shall be null and void, except that either Party may assign, to the extent consistent with Applicable Law, all of its rights, and delegate its obligations, liabilities and duties under this Agreement, either in whole or in part, to any entity that is, or that was immediately preceding such assignment, a subsidiary or Affiliate of that Party without consent, upon ninety sixty (60) calendar days' written notification. The effectiveness of an assignment shall be conditioned upon any necessary approval from the appropriate regulatory authority, the assignee's written assumption of the rights, obligations, and duties of the assigning Party, and the other Party being reasonably satisfied that the assignee is able to fulfill the assignor's obligations hereunder. Any attempt to make an assignment or delegation in violation of this section shall constitute a default of this Agreement.

6.0 ASSURANCE OF PAYMENT

Upon request by CenturyLink, Granite shall provide to CenturyLink a deposit for or an adequate assurance of payment of amounts due (or to become due) to CenturyLink hereunder. Granite's failure to provide such deposit or assurance of payment to CenturyLink within thirty (30) calendar days of CenturyLink's request for same shall constitute a default under this Agreement.

- 6.1 When a Deposit/Assurance of Payment Is Required. Such deposit or assurance of payment of charges may be requested by CenturyLink if Granite (a) in CenturyLink's reasonable judgment, at the Effective Date or at any time thereafter, does not have established credit with CenturyLink, (b) in CenturyLink's reasonable judgment, at the Effective Date or at any time thereafter, is unable to demonstrate that it is creditworthy, (c) fails to timely pay a bill rendered to Granite by CenturyLink, or (d) admits its inability to pay its debts as such debts become due, has commenced a voluntary case (or has had a case commenced against it) under the U.S. Bankruptcy Code or any other law relating to bankruptcy, insolvency, reorganization, winding-up, composition or adjustment of debts or the like, has made an assignment for the benefit of creditors or is subject to a receivership or similar proceeding.
- 6.2 Calculating the Amount of Deposit/Assurance of Payment. Unless otherwise agreed by the Parties, such deposit will be calculated based on the greater of (1) CenturyLink's estimated two-month charges to Granite (including, but not limited to, both recurring and non-recurring charges) using Granite's forecast of resale lines and any other facilities or services to be ordered from CenturyLink, or (2) \$5,000. If Granite does not provide a forecast of its facility or service demand under this Agreement, Granite shall provide, upon CenturyLink's request, a deposit or assurance of payment of charges in an amount of \$5000.
- 6.3 Modifying the Amount of Deposit/Assurance of Payment. CenturyLink reserves the right, in its sole discretion, to modify the amount of the deposit or assurance

of payment required of Granite if Granite is repeatedly delinquent in making its payments, or Granite is being reconnected after a disconnection of service or discontinuance of the processing of orders by CenturyLink due to Granite's previous non-payment, or when conditions otherwise justify such action based on actual billing history and/or the credit rating of Granite. "Repeatedly delinquent" means any payment received thirty (30) calendar days or more after the bill due date, three (3) or more times during a twelve (12) month period. CenturyLink also may require an additional amount of deposit or assurance of payment at any time after the submission of the original deposit or assurance of payment if Granite's average monthly billing exceeds the estimated two-months billing based on Granite's forecasts referenced in Section 6.2 above or if Granite has failed to make timely payments in accordance with Section 9.2.

- 6.4 Form of Deposit/Assurance of Payment. Unless otherwise agreed by the Parties, the deposit or assurance of payment shall, at CenturyLink's option, consist of (a) a cash security deposit in U.S. dollars held by CenturyLink, or (b) an unconditional, irrevocable standby letter of credit naming CenturyLink as the beneficiary thereof and otherwise in form and substance satisfactory to CenturyLink from a financial institution acceptable to CenturyLink.
- 6.5 Intentionally left blank.
- 6.6 Interest on Cash Deposit. CenturyLink shall pay interest on any such cash deposit in accordance with state requirements for End User deposits if such exist
- 6.7 Drawing on Deposit/Assurance of Payment. CenturyLink may (but is not obligated to) draw on the letter of credit or cash deposit, as applicable, upon notice to Granite in respect of any amounts to be paid by Granite hereunder that are not paid within thirty (30) calendar days of the date that payment of such amounts is required by this Agreement.
- 6.8 Granite's Replenishment of Deposit/Assurance of Payment. If CenturyLink draws on the letter of credit or cash deposit, upon request by CenturyLink, Granite shall provide a replacement or supplemental letter of credit or cash deposit conforming to the requirements of Section 6.2.
- 6.9 Effect on Other Obligations. Notwithstanding anything else set forth in this Agreement, if CenturyLink makes a request for a deposit or assurance of payment in accordance with the terms of this Section 6, then CenturyLink shall have no obligation thereafter to perform under this Agreement until such time as Granite has provided CenturyLink with such deposit or assurance of payment. The fact that a deposit or a letter of credit is requested by CenturyLink hereunder shall in no way relieve Granite from compliance with the requirements of this Agreement (including, but not limited to, any applicable Tariffs) as to advance payments and timely payment for facilities or services, nor constitute a waiver or modification of the terms herein pertaining to the discontinuance of services for nonpayment of any amounts, payment of which is required by this Agreement.

7.0 AUDITS

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 21

- 7.1 **Billing Audits.** Except as may be otherwise specifically provided in this Agreement, either Party ("Auditing Party") may audit the other Party's ("Audited Party") books, records, documents, facilities and systems for the purpose of evaluating the accuracy of the Audited Party's bills and invoicing. Such audits may be performed once in each Contract Year; provided, however, that audits may be conducted more frequently (but no more frequently than once in each contract quarter) if the immediately preceding audit found previously uncorrected net inaccuracies in billing in favor of the Auditing Party having an aggregate value of at least one and one half percent (1 ½%) of the amounts payable by or to the Auditing Party during the audit period.
- 7.1.1 **Scope of Audit.** The scope of the audit shall be limited to the services provided and/or purchased by the Parties and the associated charges, books, records, data and other documents relating thereto for the period which is the shorter of (i) the period subsequent to the last day of the period covered by the audit which was last performed (or if no audit has been performed, the Effective Date) and (ii) the twelve (12) month period immediately preceding the date the Audited Party received notice of such requested audit.
- 7.1.2 **Auditors and Commencement of Audit.** The audit shall be performed by independent certified public accountants selected and paid by the Auditing Party. The accountants shall be reasonable competent in telecommunications and be reasonably acceptable to the Audited Party. Prior to commencing the audit, the accountants shall execute an agreement with the Audited Party in a form reasonably acceptable to the Audited Party that protects the confidentiality of the information disclosed by the Audited Party to the accountants. The audit shall take place at a time and place agreed upon by the Parties; provided, that the Auditing Party may require that the audit commence no later than thirty (30) calendar days after the Auditing Party has given notice of the audit to the Audited Party; except that the Audited Party has the right to extend the 30 days for specific resource availability conflict reasons such as the financial Year End close of books, information or billing system conversions in progress or schedules to start during the audit or proper commitment of resources to other audits or rate cases. In such a case, the Audited Party must provide written certification of the conflict and the expected resource availability date. The audit shall be completed within forty-five (45) calendar days after its commencement.
- 7.1.3 **Cooperation of the Parties.** Each Party shall cooperate fully in any such audit, providing reasonable access to any and all employees, books, records, documents, facilities and systems, reasonably necessary to assess the accuracy of the Audited Party's bills. Each audit shall be conducted on the premises of the Audited Party where the Audited Party's records reside, will take place during normal business hours and shall comply the Audited Party's normal security procedures.
- 7.1.4 **Audit Expenses.** Audits shall be performed at the Auditing Party's expense, unless the audit found billing errors or inaccuracies in favor of

the Auditing Party, in which case the Audited Party shall reimburse the Auditing Party for its expense in performing said audit. There shall be no charge for reasonable access to the Audited Party's employees, books, records, documents, facilities and systems necessary to assess the accuracy of the Audited Party's bills.

- 7.1.5 Audit Summary. Neither Party shall have access to the data of the other Party, but shall rely upon summary results provided by the auditor. The Audited Party may redact from the books, records and other documents provided to the auditor any confidential information of the Audited Party that reveals the identity of other customers of the Audited Party. Each Party shall maintain reports, records and data relevant to the billing of any services that are the subject matter of this Agreement for a period of not less than twenty-four (24) months after creation thereof, unless a longer period is required by Applicable Law.
- 7.1.6 Adjustments. Adjustments to the Audited Party's charges shall be made to correct errors or omissions disclosed by an audit. The performance of adjustments shall be subject to examination. The Audited Party will provide a formal written response to any findings in an audit within thirty (30) calendar days of receipt of any such findings. The Auditing Party in turn will respond to the Audited Party's response within forty-five (45) calendar days of receipt of the Audited Party's response.
- 7.1.7 Overcharges or Undercharges. If any audit confirms any overcharge, then the billing Party (or the Party that billed for services at more than the appropriate charge) shall promptly correct any billing error, including refunding any overpayment by the other Party in the form of a credit on the invoice for the first full billing cycle after the Parties have agreed upon the accuracy of the audit results. If any audit confirms any undercharge, then the billed Party (or the Party that was provided services at less than the appropriate charge) shall immediately compensate the billing Party for such undercharge. In each case of overcharge or undercharge, such rectifying credits and/or payments will be subject to interest at the lesser of one and one-half (1 ½%) percent per month or the highest rate of interest that may be charged under Applicable Law, compounded daily, for the number of days from the date on which such undercharge or overcharge originated until the date on which such credit is issued or payment is made and available, as the case may be.
- 7.1.8 Disputes. Any disputes concerning audit results shall be referred to the Parties' designated representative(s) who have authority to settle the dispute. If these individuals cannot resolve the dispute within thirty (30) calendar days of the referral, the matter shall be resolved in accordance with the procedures set forth in Section 19 regarding dispute resolution.

8.0 AUTHORIZATION AND AUTHORITY

- 8.1 Each person whose signature appears on this Agreement represents and warrants that he or she has authority to bind the Party on whose behalf he or

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 23

she has executed this Agreement. Each Party represents they have had the opportunity to consult with legal counsel of his, her or its choosing, and Granite has not relied on CenturyLink's counsel or on representations by CenturyLink's personnel not specifically contained in this Agreement, in entering into this Agreement.

- 8.2 CenturyLink represents and warrants that it is a corporation duly organized, validly existing and in good standing under the laws of the State of Alabama and has full power and authority to execute and deliver this Agreement and to perform its obligations under this Agreement.
- 8.3 Granite represents and warrants that it is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware, and has full power and authority to execute and deliver this Agreement and to perform its obligations under this Agreement.
- 8.4 Granite Certification. Notwithstanding any other provision of this Agreement, CenturyLink shall have no obligation to perform under this Agreement until such time as Granite has obtained such FCC and Commission authorization(s) as may be required by Applicable Law for conducting business in the State as a CLEC. Granite must represent and warrant to CenturyLink that it is a certified local provider of Telephone Exchange Service in the State. Granite will provide a copy of its Certificate of Operating Authority or other evidence of its status to CenturyLink upon request. Granite shall not place any orders under this Agreement until it has obtained such authorization. Granite shall provide proof of such authorization to CenturyLink upon request.

9.0 BILLING & PAYMENTS/DISPUTED AMOUNTS

Except as provided elsewhere in this Agreement, Granite and CenturyLink agree to exchange all information to accurately, reliably, and properly order and bill for features, functions and services provided under this Agreement.

- 9.1 Back Billing. The Parties will bill each other in a timely manner. Neither Party will initiate credit claims or bill the other Party for previously unbilled, under-billed or over-billed charges for services that were provided more than one (1) year prior to the applicable bill date. Each Party will use reasonable efforts to provide prompt notice of any intent to claim credits or bill for charges incurred more than ninety (90) calendar days prior to the date such notice of claim is made.
- 9.2 Payment. Except as otherwise provided in this Agreement, payment of amounts billed for services provided under this Agreement, whether billed on a monthly basis or as otherwise provided in this Agreement, shall be due, in immediately available U.S. funds, within thirty (30) calendar days of the Bill Date ("Bill Due Date"). If the Bill Due Date is a Saturday, Sunday, or has been designated a bank holiday, payment will be made the next Business Day. Payments may be transmitted by electronic funds transfer. Late payment charges, if any, will be payable in accordance with the provisions of this Agreement.

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 24

- 9.3 Late Payment Charges. If any undisputed amount due on a billing statement is not received by the billing Party by the Bill Due Date, the billing Party shall calculate and assess, and the billed Party agrees to pay, a late payment charge on the past due balance equal to one and one-half (1 ½%) percent per month or the highest rate of interest that may be charged under Applicable Law, compounded daily, for the number of days from the Bill Date until the date on which such payment is made. Such late payment charges shall be included on the billing Party's next statement to the billed Party.
- 9.4 Disputed Amounts. If any portion of an amount billed by a Party under this Agreement is subject to a good faith dispute between the Parties, the billed Party shall give written notice to the billing Party of the amounts it disputes ("Disputed Amounts") and shall include in such notice the specific details and reasons for disputing each item. Such written notice shall be submitted in accordance with the guidelines for submitting billing dispute claims set forth in CenturyLink's CLEC Service Guide. Failure by the billed Party to file any such claim before the Bill Due Date means that the total charges billed are due and payable to the billing Party on the due date. The billed Party may not withhold payment of amounts past the due date pending a later filing of a dispute, but must pay all amounts due for which it has not provided a written notice of dispute on or prior to the Bill Due Date. If the billed Party disputes charges after the Bill Due Date and has not paid such charges, such charges shall be subject to late payment charges. If such dispute is found to be in favor of the billed Party, such late payment charges shall be credited to the account. Both Granite and CenturyLink agree to expedite the investigation of any Disputed Amounts, promptly provide all documentation regarding the amount disputed that is reasonably requested by the other Party, and work in good faith in an effort to resolve and settle the dispute through informal means prior to initiating formal dispute resolution.
- 9.4.1 If the billed Party disputes any charges and any portion of the dispute is resolved in favor of the billed Party, the Parties shall cooperate to ensure that (a) the billing Party shall credit the invoice of the billed Party for that portion of the Disputed Amount resolved in favor of the billed Party, together with any late payment charges assessed with respect thereto no later than the second Bill Due Date after the resolution of the billing dispute.
- 9.5 Effect of Non-Payment.
- 9.5.1 If the billed Party does not remit payment of all undisputed charges on a bill by the Bill Due Date, the billing Party may discontinue processing orders for relevant or like services provided under this Agreement on or after the tenth (10th) calendar day the Bill Due Date. The billing Party will notify the other Party in writing, via email or certified mail, at least five (5) Calendar Days prior to discontinuing the processing of orders for the relevant services. If the billing Party does not refuse to accept additional orders for service(s) on the date specified in such notice, and the billed Party's non-compliance continues, nothing contained herein shall preclude the billing Party from refusing to accept any or all additional orders for service(s) from the non-complying Party upon at least two (2)

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

calendar days further notice or from billing and collecting the appropriate charges from the billed Party. For order processing to resume, the billed Party will be required to make full payment of all past and current undisputed charges under this Agreement for the relevant services. Additionally, the billing Party may require a deposit or assurance of payment (or additional deposit or assurance of payment) from the billed Party, pursuant to Section 6. In addition to other remedies that may be available at law or equity, the billed Party reserves the right to seek equitable relief, including injunctive relief and specific performance.

9.5.2 Notwithstanding 9.5.1 above, if the billed Party does not remit payment of all undisputed charges on a bill by the Bill Due Date, the billing Party may at its option disconnect any and all relevant or related services provided under this Agreement following written notification to the billed Party at least ten (10) Business Days prior to disconnection of the unpaid service(s). Such notification may be included in a notification to refuse to accept additional orders so long as the appropriate dates for each consequence are listed therein. If the billed Party subsequently pays all of such undisputed charges and desires to reconnect any such disconnected services, the billed Party shall pay the applicable charge set forth in this Agreement or in the applicable Tariff for reconnecting each service disconnected pursuant to this paragraph. In case of such disconnection, all applicable undisputed charges, including termination charges, shall become due and payable. If the billing Party does not disconnect the billed Party's service(s) on the date specified in such notice, and the billed Party's non-compliance continues, nothing contained herein shall preclude the billing Party from disconnecting all service(s) of the non-complying Party without further notice or from billing and collecting the appropriate charges from the billed Party. For reconnection of the non-paid service to occur, the billed Party will be required to make full payment of all past and current undisputed charges under this Agreement for the relevant services. Additionally, the billing Party may require a deposit or assurance of payment (or additional deposit or assurance of payment) from the billed Party, pursuant to Section 6. In addition to other remedies that may be available at law or equity, the billing Party reserves the right to seek equitable relief, including injunctive relief and specific performance.

9.5.3 Notwithstanding 9.5.1 and 9.5.2 above, if the billing Party is forced to undertake collection efforts for undisputed, defaulted or post-termination amounts outstanding, the billed Party is liable for reimbursement to the billing Party any and all costs associated with the collection of such a debt including but not limited to collection agency fees and legal fees.

9.6 Universal Service Fund. In order to collect the costs of CenturyLink's contribution to the Federal Universal Service Fund (FUSF) in an equitable manner, CenturyLink's End User Customers are being charged a Federal Universal Service Charge (FUSC). The only customers who are exempt from paying the FUSC to CenturyLink are those reseller customers who themselves contribute to the FUSF, or who otherwise qualify for an exemption under the

Article III: General Terms & Conditions

Page 26

FCC's universal service rules. In order to obtain an exemption from paying the FUSC to CenturyLink, Granite must provide CenturyLink a signed statement certifying that it is reselling the services provided by CenturyLink in the form of telecommunications, and will, in fact, contribute directly to the FUSF. If Granite does not provide this statement, or otherwise certify that it is exempt from remitting the FUSC, CenturyLink must report the revenues obtained from the provision of service to Granite as End User revenues for FUSF contribution purposes and will assess a FUSC on Granite.

9.6.1 INTENTIONALLY LEFT BLANK.

9.6.2 To comply with FCC rules regarding the funding of Universal Service, Granite is required to complete the form entitled "CERTIFICATION OF FEDERAL UNIVERSAL SERVICE FUND CONTRIBUTION STATUS," provided by CenturyLink in order to obtain an exemption from paying the FUSC to CenturyLink. In addition, Granite agrees to provide CenturyLink with an updated annual certification, no later than February 1 of each calendar year, so that CenturyLink may ensure that it continues to accurately report its revenues for FUSF contribution purposes.

9.6.3 It is expressly understood and agreed by the Parties that Granite's provision to CenturyLink of evidence concerning its making adequate payments into the FUSF, and Granite's representations to CenturyLink in connection therewith, are subject to the indemnification provisions of Section 30, which, for purposes of this Section, serve to indemnify CenturyLink.

10.0 INTENTIONALLY LEFT BLANK**11.0 INTENTIONALLY LEFT BLANK****12.0 CHANGES IN LAW**

Except as provided in Section 12.3 below, the terms and conditions of this Agreement shall be subject to any and all changes in Applicable Law, including but not limited to changes to rules and regulations that subsequently may be prescribed by any federal, state or local governmental authority having competent jurisdiction.

12.1 Removal of Existing Obligations. Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law subsequent to the Effective Date, CenturyLink is no longer required by Applicable Law to continue to provide any service, facility, payment or benefit otherwise required to be provided to Granite under this Agreement, then CenturyLink may discontinue the provision of any such service, facility, payment or benefit. CenturyLink will provide ninety (90) calendar days prior written notice to Granite of any such discontinuation of a service or facility, unless a different notice period or different conditions are specified by Applicable Law for termination of such service, facility, payment or benefit, in which event such specified period and/or conditions shall apply. The Parties may amend this

Agreement pursuant to Section 4 to reflect such change in Applicable Law. If Granite disputes CenturyLink's discontinuance of such service, facility, payment or benefit, the dispute resolution procedures of Section 20 shall apply, and any consequent changes to the terms of this Agreement (including billing terms) as a result of such change in Applicable Law shall be retroactive to the discontinuation date set forth in CenturyLink's written notice to Granite or the date specified by Applicable Law, whichever applies.

- 12.2 Additions to Existing Obligations. Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law subsequent to the Effective Date, CenturyLink is required by such change in Applicable Law to provide a service not already provided to Granite under the terms of this Agreement, the Parties agree to add or modify, in writing, the affected term(s) and condition(s) of this Agreement to the extent necessary to bring them into compliance with such change in Applicable Law. The Parties shall initiate negotiations to add or modify such terms upon the written request of a Party. The Parties agree to negotiate such additional or modified terms and conditions within ninety (90) calendar days of receipt of the requesting Party's written request unless a different notice period or different conditions are specified by Applicable Law for provision of such service, facility, payment or benefit, in which event such specified period and/or conditions shall apply. If the Parties cannot agree to additional or modified terms to amend the Agreement, the Parties shall submit the dispute to dispute resolution pursuant to the procedures set forth in Section 20.
- 12.3 Notwithstanding Sections 12.1 and 12.2, to the extent that the Parties have agreed to any terms and conditions set forth in this Agreement that do not reflect or fully reflect the extent of the Parties' respective rights and/or obligations under Applicable Law for good and valuable consideration through the process of good faith negotiations, a subsequent change in Applicable Law may not be given effect in this Agreement, through the amendment process or otherwise, without the mutual consent of both Parties. Any terms reached by the Parties constituting a Voluntary Agreement to which this Section 12.3 applies shall be identified as being an agreement made "pursuant to Section 12.3" or by language of similar import.

13.0 CLEC PRE-ORDERING FORMS

- 13.1 Granite shall not place any orders under this Agreement until it has completed and submitted to CenturyLink Pre-ordering Forms provided by CenturyLink and, if required by CenturyLink, paid a deposit for assurance of payment pursuant to Section 9. Granite will provide to CenturyLink its Operating Company Number (OCN), Company Code (CC), and Customer Carrier Name Abbreviation (CCNA).
- 13.2 Certificate of Operating Authority. Granite must represent and warrant to CenturyLink that it is a certified provider of local Telephone Exchange Service in the State. Granite will provide a copy of its Certificate of Operating Authority or other evidence of its status to CenturyLink upon request.

14.0 CONFIDENTIAL INFORMATION

- 14.1 Identification. Either Party may disclose to the other proprietary or confidential customer, technical, or business information in written, graphic, oral or other tangible or intangible forms ("Confidential Information"). In order for information to be considered Confidential Information under this Agreement, it must be marked "Confidential" or "Proprietary," or bear a marking of similar import. Orally or visually disclosed information shall be deemed Confidential Information only if contemporaneously identified as such and reduced to writing and delivered to the other Party with a statement or marking of confidentiality within thirty (30) calendar days after oral or visual disclosure.

Notwithstanding the foregoing, pre-orders, and all orders for services placed by Granite pursuant to this Agreement, and information that would constitute Customer Proprietary Network Information (CPNI) of Granite End User Customers pursuant to the Act and the rules and regulations of the FCC, as well as recorded usage information with respect to Granite End User Customers, whether disclosed by Granite to CenturyLink or otherwise acquired by CenturyLink in the course of its performance under this Agreement, is considered Confidential Information.

- 14.2 Handling. In order to protect such Confidential Information from improper disclosure, each Party agrees:

- (a) That all Confidential Information shall be and shall remain the exclusive property of the disclosing Party;
- (b) To limit access to such Confidential Information to authorized employees who have a need to know the Confidential Information for performance of this Agreement;
- (c) To keep such Confidential Information confidential and to use the same level of care to prevent disclosure or unauthorized use of any Confidential Information it receives as it exercises in protecting its own Confidential Information of a similar nature;
- (d) Not to copy, publish, or disclose such Confidential Information to others or authorize anyone else to copy, publish, or disclose such Confidential Information to others without the prior written approval of the disclosing Party;
- (e) To promptly return any copies of such Confidential Information to the disclosing Party at its request;
- (f) To use such Confidential Information only for purposes of performing work or services described hereunder and for other purposes only upon such terms as may be agreed upon between the Parties in writing; and

(g) Subject to the exceptions in Section 14.3 below, if the Party receiving Confidential Information wishes to disclose the disclosing Party's Confidential Information to a third-party, such disclosure must be agreed to in writing by the disclosing Party, and the third-party must have executed a written agreement of nondisclosure and nonuse comparable in scope to the terms of this Section.

14.3 Exceptions. These obligations shall not apply to any Confidential Information that was legally in the recipient's possession prior to receipt from the disclosing party, was received in good faith from a third party not subject to a confidential obligation to the disclosing party, now is or later becomes publicly known through no breach of confidential obligation by the recipient, was developed by the recipient without the developing persons having access to any of the Confidential Information received in confidence from the source, or that is required to be disclosed pursuant to subpoena or other legal process issued by a court or administrative agency having appropriate jurisdiction; provided, however, that, subject to Sections 28.3 and 28.3.1, the recipient shall give prior notice to the source before disclosing Confidential Information and shall reasonably cooperate if the source deems it necessary to seek protective arrangements.

14.4 Survival. The obligation of confidentiality and use with respect to Confidential Information disclosed by one Party to the other shall survive any termination of this Agreement for a period of three (3) years from the date of the initial disclosure of the Confidential Information.

15.0 CONSENT

Except as otherwise expressly stated in this Agreement (including, but not limited to, where consent, approval, agreement or a similar action is stated to be within a Party's sole discretion), where consent, approval, mutual agreement or a similar action is required by any provision of this Agreement, such action shall not be unreasonably withheld, conditioned or delayed.

16.0 CONTACTS BETWEEN THE PARTIES

Each Party shall update its own contact information and escalation list and shall provide such information to the other Party for purposes of inquiries regarding the implementation of this Agreement. Each Party shall accept all inquiries from the other Party and provide a timely response. CenturyLink will provide and maintain its contact and escalation list in its CenturyLink Service Guide ("Guide") as amended and updated from time to time. The Guide is provided to Granite on CenturyLink's Website, and any updates also will be provided on the Website in the event such information changes. Information contained in the Guide will include a single contact telephone number for CenturyLink's CLEC Service Center (via an 800#) that Granite may call for all ordering and status inquiries and other day-to-day inquiries between 8 a.m. and 5 p.m., Monday through Friday (except holidays). In addition, the Guide will provide Granite with contact information for the personnel and/or organizations within CenturyLink capable of assisting Granite with inquiries regarding the ordering, provisioning and billing of resale services. Included in this information will be the contact information for a person or

persons to whom Granite can escalate issues dealing with the implementation of the Agreement and/or for assistance in resolving disputes arising under the Agreement.

17.0 CONTACTS WITH CUSTOMERS

Except as otherwise provided in this Agreement, Granite shall provide the exclusive interface with Granite's End User Customers in connection with the marketing or offering of Granite services. Except as otherwise provided in this Agreement, in those instances where CenturyLink personnel are required pursuant to this Agreement to interface directly with Granite's End User Customers for the purpose of installation, repair and/or maintenance of services, such personnel shall not identify themselves as representing CenturyLink. Nothing in this section shall require CenturyLink to repaint trucks or other equipment, or to remove, hide or cover logos or other identifying marks from any vehicles, equipment, uniforms or other items used or owned by CenturyLink or CenturyLink personnel to effect service calls.

18.0 COUNTERPARTS

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

19.0 DISCONTINUANCE OF SERVICE BY GRANITE ("SNAP-BACK PROVISION")

- 19.1 If Granite proposes to discontinue, or actually discontinues, its provision of service to all or substantially all of its customers, whether voluntarily, as a result of bankruptcy, or for any other reason (other than as a result of a valid assignment pursuant to Section 5 of this Article, sale or transfer of all or substantially all of its assets, equities or by merger or consolidation), Granite shall send written notice of such discontinuation to CenturyLink, the Commission, and each of Granite's customers. Granite shall provide notice in advance of discontinuation of its service as required by Applicable Law. Unless the period for advance notice of discontinuation of service required by Applicable Law is more than thirty (30) calendar days, to the extent commercially feasible, Granite shall send such notice at least thirty (30) calendar days prior to its discontinuation of service. Should Granite fail to provide notice pursuant to this provision, CenturyLink shall have the right to send such notice and to discuss service discontinuance and election of a replacement carrier with Granite's customers.
- 19.2 Such notice must advise each Granite customer that, unless action is taken by the Granite customer to switch to a different carrier prior to Granite's proposed discontinuation of service, the Granite customer will be without the service provided by Granite to the Granite customer.
- 19.3 Should a Granite customer subsequently become a CenturyLink customer, Granite shall provide CenturyLink with all information necessary for CenturyLink to establish service for the Granite customer, including, but not limited to, the Granite customer's billed name, listed name, service address, and billing address, and the services being provided to the Granite customer.

Article III: General Terms & Conditions

- 19.4 Nothing in this Section 19 shall limit CenturyLink's right to cancel or terminate this Agreement under Section 2 or to suspend provision of services under Section 9 of this Agreement.

20.0 DISPUTE RESOLUTION

The following provisions apply to dispute resolution under the Agreement, except that the terms of Section 9 of this Article apply to the resolution of any billing disputes.

- 20.1 Any dispute between the Parties regarding the interpretation or enforcement of this Agreement or any of its terms shall be addressed by good faith negotiation between the Parties. To initiate such negotiation, a Party must provide to the other Party written notice of the dispute that includes both a detailed description of the dispute or alleged nonperformance and the name of an individual who will serve as the initiating Party's representative in the negotiation. The other Party shall have ten (10) calendar days to designate its own representative in the negotiation. The Parties' representatives shall meet (including via a conference call) at least once within 30 days after the date of the initiating Party's written notice in an attempt to reach a good faith resolution of the dispute. Upon agreement, the Parties' representatives may utilize other alternative dispute resolution procedures such as private mediation to assist in the negotiations. Discussions and correspondence among the representatives for purpose of negotiation shall be treated as confidential information developed for the purposes of settlement, exempt from discovery, and shall not be admissible in any arbitration, lawsuit or any administrative or governmental proceeding, including by the FCC and the Commission, without the consent of the Parties unless the confidential information (other than settlement offers or counter offers) are otherwise the proper subject of discovery requests that a Party is obligated to respond to, and are not subject to any further evidentiary restrictions or privileges in the arbitration, lawsuit or any administrative or governmental proceeding.
- 20.2 If the Parties have been unable to resolve the dispute within 30 days of the date of the initiating Party's written notice, either Party may pursue any remedies available to it under this Agreement, at law, in equity, or otherwise, including, but not limited to, instituting an appropriate proceeding before the Commission, the FCC, or a court of competent jurisdiction.
- 20.3 Costs. Each Party shall bear its own costs of pursuing or responding to disputes.
- 20.4 Continuous Service. Except where the dispute pertains to technical feasibility or a lack of facilities, the Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the Parties shall continue to perform their obligations (including making payments in accordance with Section 9) in accordance with this Agreement. However, during the pendency of any dispute resolution procedures, CenturyLink reserves the right not to accept new Granite service orders.

21.0 ENTIRE AGREEMENT

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 32

This Agreement constitutes the entire agreement of the Parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, negotiations, proposals, and representations, whether written or oral, and all contemporaneous oral agreements, negotiations, proposals, and representations concerning such subject matter. No representations, understandings, agreements, or warranties, expressed or implied, have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

22.0 EXPENSES

- 22.1 In performing under this Agreement, CenturyLink may be required to make expenditures or otherwise incur costs that are not otherwise reimbursed under this Agreement. In such event, CenturyLink is entitled to reimbursement from Granite for all such costs. For all such costs and expenses, CenturyLink shall receive through nonrecurring charges ("NRCs") the actual costs and expenses incurred, including labor costs and expenses, overhead and fixed charges, and may include a reasonable contribution to CenturyLink's common costs. If Granite makes a request that involves expenditures or costs not otherwise covered under this agreement, CenturyLink will provide a quote to Granite in a timely manner and Granite must agree to accept the quoted charges prior to CenturyLink's initiation of work.
- 22.2 Except as specifically set out in this Agreement, each Party shall be solely responsible for its own expenses involved in all activities related to the subject of this Agreement.

23.0 FORCE MAJEURE

- 23.1 In the event performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake or like acts of God, wars, terrorism, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government in its sovereign capacity, labor difficulties, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, changes requested by customer, or any other material change of circumstances beyond the reasonable control and without the fault or negligence of the Party affected ("Force Majeure Events"), the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference (and the other Party shall likewise be excused from performance of its obligations on a day-to-day basis until the delay, restriction or interference has ceased); *provided however*, that the Party so affected shall use commercially reasonable efforts to avoid or remove such causes of nonperformance or Force Majeure Events, and both Parties shall proceed whenever such causes or Force Majeure Events are removed or cease.
- 23.2 It is expressly agreed that insolvency or financial distress of a Party is not a Force Majeure Event and is not otherwise subject to this Section 23. Notwithstanding the provisions of Section 23.1 above, in no case shall a Force

Majeure Event affecting a Party excuse such Party from an obligation to pay money as required by this Agreement.

- 24.3 Nothing in this Agreement shall require the non-performing Party to settle any labor dispute except as the non-performing Party, in its sole discretion, determines appropriate.

24.0 FRAUD

Granite assumes responsibility for all fraud associated with its End User Customers and accounts. CenturyLink will cooperate in good faith but shall bear no responsibility for, nor is it required to investigate or make adjustments to, Granite's account in cases of fraud.

25.0 GOOD FAITH PERFORMANCE

- 25.1 The Parties shall act in good faith in the performance of their obligations under this Agreement.
- 25.2 In the spirit of good faith and upon request by either Party, the Parties agree to meet (including via conference call) once a month, or at other intervals as reasonably agreed to by the Parties, during the Term of this Agreement, at mutually agreed upon day and time, to discuss the performance of the Parties under this Agreement. The requesting Party should provide a proposed agenda in advance of the meeting. At each such monthly session the Parties may discuss: (i) the Parties' provisioning of the services and ancillary functions provided under this Agreement; (ii) and any areas in which such performance may be improved; (iii) any problems that were encountered during the preceding month or anticipated in the upcoming month; (iv) the reason underlying any such problem and the effect, if any, that such problem had, has or may have on the performance of the Parties; and (v) the specific steps taken or proposed to be taken to remedy such problem. In addition to the foregoing, the Parties may meet to discuss any matters that relate to the performance of this Agreement, as may be requested from time to time by either of the Parties.

26.0 HEADINGS

The headings in this Agreement are inserted for convenience and identification only and shall not be considered in the interpretation of this Agreement.

27.0 INTELLECTUAL PROPERTY

- 27.1 Granite acknowledges that its right under this Agreement may be subject to or limited by Intellectual Property rights (including, without limitation, patent, copyright, trade secret, trademark, service mark, trade name and trade dress rights) and other rights of third parties.
- 27.2 Granite acknowledges that services and facilities to be provided by CenturyLink hereunder may use or incorporate products, services or information proprietary to third party vendors and may be subject to or limited by Intellectual Property

rights (including, without limitation, patent, copyright, trade secret, trademark, service mark, trade name and trade dress rights) and other rights of third parties.

- 27.3 Upon written request by Granite, CenturyLink will use commercially reasonable efforts to procure rights or licenses to allow CenturyLink to use Intellectual Property and other rights of third parties to provide services and facilities to Granite ("Additional Rights and Licenses").
- 27.5 Both Parties agree to promptly inform the other of any pending or threatened Intellectual Property Claims of third parties that may arise in the performance of this Agreement.
- 27.6 For the purposes of this Agreement, any Intellectual Property originating from or developed by such Party shall remain in the exclusive ownership of that Party. Notwithstanding the exclusive ownership of Intellectual Property originated by a Party, the Party that owns such Intellectual Property will not assess a separate fee or charge to the other Party for the use of such Intellectual Property to the extent used in the provision of a product or service, available to either Party under this Agreement, that utilizes such Intellectual Property to function properly.
- 27.7 Except as expressly stated in this Agreement, this Agreement shall not be construed as granting a license with respect to any patent, copyright, trade name, trademark, service mark, trade secret or any other Intellectual Property, now or hereafter owned, controlled or licensable by either Party. Except as expressly provided in this Agreement, neither Party may use any patent, copyrightable materials, trademark, trade name, trade secret or other Intellectual Property, of the other Party except in accordance with the terms of a separate license agreement between the Parties granting such rights.
- 27.8 Except as provided in Section 27.3 and/or Section 30.1, neither Party shall have any obligation to defend, indemnify or hold harmless, or acquire any license or right for the benefit of, or owe any other obligation or have any liability to, the other Party or its Affiliates or customers based on or arising from any third party claim alleging or asserting that the provision or use of any service, facility, arrangement, or software by either Party, or the performance of any service or method, either alone or in conjunction with the other Party, constitutes direct, vicarious or contributory infringement or inducement to infringe, or misuse or misappropriation of any patent, copyright, trademark, trade secret, or any other proprietary or intellectual property right of any Party or third person. Each Party, however, shall offer to the other reasonable cooperation and assistance in the defense of any such claim.
- 27.9 NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, THE PARTIES AGREE THAT NEITHER PARTY HAS MADE, AND THAT THERE DOES NOT EXIST, ANY WARRANTY, EXPRESS OR IMPLIED, THAT THE USE BY EACH PARTY OF THE OTHER'S SERVICES PROVIDED UNDER THIS AGREEMENT SHALL NOT GIVE RISE TO A CLAIM OF INFRINGEMENT, MISUSE, OR MISAPPROPRIATION OF ANY INTELLECTUAL PROPERTY RIGHT.

28.0 LAW ENFORCEMENT

- 28.1 Except to the extent not available in connection with CenturyLink's operation of its own business, CenturyLink shall provide seven days a week/twenty-four hours a day assistance to law enforcement persons for emergency traps, assistance involving emergency traces and emergency information retrieval on customer invoked CLASS services.
- 28.2 Except where prohibited by a subpoena, civil investigative demand, or other legal process as set forth in Section 28.3.1, CenturyLink agrees to work jointly with Granite in security matters to support law enforcement agency requirements for traps, traces, court orders, etc. Granite shall be responsible for and shall be billed for any charges associated with providing such services for Granite's End User Customers.
- 28.3 Where CenturyLink receives a subpoena from law enforcement, and its database search shows that the telephone number in question is not a CenturyLink account, CenturyLink shall send such information back to law enforcement, along with the name of the company to which such account is connected, if available, for further processing by law enforcement.
- 28.3.1 If a Party receives a subpoena, civil investigative demand, or other legal process (hereinafter, "subpoena") issued by a court or governmental agency having appropriate jurisdiction, and such subpoena expressly prohibits the Party receiving the subpoena ("receiving Party") from disclosing the receipt of the subpoena or the delivery of a response to the subpoena, such receiving Party shall not be required to notify the other Party that it has received and/or responded to such subpoena, even if the subpoena seeks or the receiving Party's response thereto discloses Confidential Information of the other Party or its customers. Under such circumstances, the receiving Party's disclosure to the other Party of its receipt of or delivery of a response to such a subpoena shall be governed by the requirements of the subpoena and/or the court, governmental agency or law enforcement agency having appropriate jurisdiction.

29.0 LETTER OF AUTHORIZATION (LOA)

- 29.1 To the extent the Parties have not previously done so, Granite and CenturyLink shall each execute a blanket letter of authorization (LOA) with respect to customer requests to change service providers or to permit either Party to view CPNI prior to a request to change service providers. Under the blanket LOA, a Party authorized by the customer to view or use its CPNI need not provide proof of End User Customer authorization to the other Party before viewing or using the CPNI.
- 29.1.1 Each Party's access to CPNI of another carrier's customer will be limited to instances where the requesting Party has obtained appropriate authorization to change service providers or release of CPNI from the customer.

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 36

- 29.1.2 The requesting Party must maintain records of all customer authorizations to change service providers or release of CPNI in compliance with State and federal law.
- 29.1.3 The requesting Party is solely responsible for determining whether proper authorization has been obtained and holds the other Party harmless from any loss or liability on account of the requesting Party's failure to obtain proper CPNI authorization from a customer.
- 29.1.4 When a blanket LOA has been executed and where such blanket LOA contains the appropriate authorization to change service providers or release CPNI as documented in the CenturyLink Service Guide or otherwise approved in advance by CenturyLink, CenturyLink will not require Granite to submit an individual LOA prior to changing service providers or releasing CPNI, providing Customer Service Records (CSRs), or processing orders. However, it shall be considered a material breach of this Agreement if Granite submits an order to change service providers or release CPNI where Granite has not yet obtained appropriate authorization to change service providers or release CPNI from the customer. Until a blanket LOA has been executed, a Party wishing to view or end user CPNI of the other Party must provide written proof of End User Customer authorization to the other Party before viewing or using the CPNI.

30.0 LIABILITY AND INDEMNIFICATION

- 30.1 Indemnification Against Third-Party Claims. Subject to the limitations set forth in this Agreement, including, without limitation, Section 30.3, each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party (the "Indemnified Party") and the other Party's Subsidiaries, predecessors, successors, Affiliates, and assigns, and all current and former officers, directors, members, shareholders, agents, contractors and employees of all such persons and entities (collectively, with Indemnified Party, the "Indemnitee Group"), from any and all Claims. "Claim" means any action, cause of action, suit, proceeding, claim, or demand of any third party (and all resulting judgments, bona fide settlements, penalties, damages, losses, liabilities, costs, and expenses (including, but not limited to, reasonable costs and attorneys' fees)), (a) based on allegations that, if true, would establish (i) the Indemnifying Party's misrepresentation, fraud or other misconduct; (ii) the Indemnifying Party's negligence; (iii) infringement by the Indemnifying Party or by any Indemnifying Party product or service of any patent, copyright, trademark, service mark, trade name, right of publicity or privacy, trade secret, or any other proprietary right of any third party; (iv) the Indemnifying Party's liability in relation to any material that is defamatory or wrongfully discloses private or personal matters; or (v) the Indemnifying Party's wrongful use or unauthorized disclosure of data; or (b) that arises out of (i) any act or omission of the Indemnifying Party's or its subcontractors or agents relating to the Indemnifying Party's performance or obligations under this Agreement; ii) any act or omission of the Indemnifying Party's customer(s) or End User(s); (iii) the bodily injury or death of any person, or the loss or disappearance of or damage to the tangible property of any person, relating to the Indemnifying Party's performance or obligations under this Agreement; (iv) the Indemnifying Party's design, testing, manufacturing,

marketing, promotion, advertisement, distribution, lease or sale of services and/or products to its customers, or such customers' use, possession, or operation of those services and/or products; or (v) personal injury to or any unemployment compensation claim by one or more of the Indemnifying Party's employees, notwithstanding any protections the Indemnifying Party might otherwise have under applicable workers' compensation or unemployment insurance law, which protections the Indemnifying Party waives, as to the Indemnified Party and other persons and entities to be indemnified under this Section 30.1 (other than applicable employee claimant(s)), for purposes of this Section 30.1. "Reasonable costs and attorneys' fees," as used in this Section 30.1, includes without limitation fees and costs incurred to interpret or enforce this Section 30.1. The Indemnified Party will provide the Indemnifying Party with reasonably prompt written notice of any Claim. At the Indemnifying Party's expense, the Indemnified Party will provide reasonable cooperation to the Indemnifying Party in connection with the defense or settlement of any Claim. The Indemnified Party may, at its expense, employ separate counsel to monitor and participate in the defense of any Claim.

30.2 Disclaimer of Warranties. EXCEPT FOR THOSE WARRANTIES EXPRESSLY PROVIDED IN THIS AGREEMENT OR REQUIRED BY STATUTE, EACH PARTY ON BEHALF OF ITSELF AND ITS AFFILIATES AND SUPPLIERS DISCLAIMS ALL WARRANTIES AND DUTIES, WHETHER EXPRESS OR IMPLIED, AS TO THE SERVICES, PRODUCTS AND ANY OTHER INFORMATION OR MATERIALS EXCHANGED BY THE PARTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, REASONABLE CARE, WORKMANLIKE EFFORT, RESULTS, LACK OF NEGLIGENCE, OR ACCURACY OR COMPLETENESS OF RESPONSES. EXCEPT FOR THOSE WARRANTIES EXPRESSLY PROVIDED IN THIS AGREEMENT OR REQUIRED BY STATUTE, THERE IS NO WARRANTY OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION, AUTHORITY, OR NON-INFRINGEMENT WITH RESPECT TO THE SERVICES, PRODUCTS, AND ANY OTHER INFORMATION OR MATERIALS EXCHANGED BY THE PARTIES UNDER THIS AGREEMENT.

30.3 Limitation of Liability; Disclaimer of Consequential Damages; Exceptions.

30.3.1 Except as provided in Section 30.3.3, each Party's liability to the other, whether in contract, tort or otherwise, shall be limited to direct damages, which shall not exceed the monthly charges, plus any related costs/expenses the other Party may recover, including those under Section 22.1 above, and plus any costs/expenses for which the Parties specify reimbursement in this Agreement for the services or facilities for which the claim of liability arose. Except as provided in Section 30.3.3, each Party's liability to the other during any Contract Year resulting from any and all causes will not exceed the total of any amounts charged to Granite by CenturyLink under this Agreement during the Contract Year in which such cause accrues or arises. For purposes of this Section 30.3.1, the first Contract Year commences on the first day this Agreement

becomes effective, and each subsequent Contract Year commences on the day following the anniversary of that date.

- 30.3.2 EXCEPT AS PROVIDED IN SECTION 30.3.3, NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, OR SPECIAL DAMAGES SUFFERED BY SUCH OTHER PARTY (INCLUDING WITHOUT LIMITATION DAMAGES FOR HARM TO BUSINESS, LOST REVENUES, LOST SAVINGS, OR LOST PROFITS SUFFERED BY SUCH OTHER PARTY), REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, STRICT LIABILITY, OR TORT, INCLUDING WITHOUT LIMITATION, NEGLIGENCE OF ANY KIND WHETHER ACTIVE OR PASSIVE, AND REGARDLESS OF WHETHER THE PARTIES KNEW OF THE POSSIBILITY THAT SUCH DAMAGES COULD RESULT.

Should either Party provide advice, make recommendations, or supply other analysis related to the services or facilities described in this Agreement, this limitation of liability shall apply to the provision of such advice, recommendations, and analysis.

- 30.3.3 Section 30.3.1 and Section 30.3.2 do not apply to the following:

- 30.3.3.1 Intentionally left blank
- 30.3.3.2 Breach of any obligation of confidentiality referenced in this Agreement;
- 30.3.3.3 Violation of security procedures;

- 30.3.3.6 Statutory damages;
- 30.3.3.7 Liability for intentional or willful misconduct;
- 30.3.3.8 Liability arising under any applicable CenturyLink Tariff;
- 30.3.3.9 Liability arising under any indemnification provision contained in this Agreement or any separate agreement or tariff related to provisioning of 911/E911 services;
- 30.3.3.10 Each Party's obligations under Section 27 of this Article III;
- 30.3.3.11 Section 30.4.2 and/or Section 30.4.3 of this Article III;
- 30.3.3.12 Section 45 of this Article III, and/or
- 30.3.3.13 Liability arising under any indemnification provision contained in a separate agreement or tariff related to provisioning of Directory Listing or Directory Assistance Services.

30.4 Liability of CenturyLink.

In addition to the general limitation of liability in this Section 32, the following shall also limit CenturyLink's liability under this Agreement.

CenturyLink is not liable for mistakes in CenturyLink's signaling networks (including but not limited to signaling links and Signaling Transfer Points (STPs) and call-related databases (including but not limited to the Line Information Database (LIDB), Toll Free Calling database, Local Number Portability database, Advanced Intelligent Network databases, Calling Name database (CNAM), 911/E911 databases, and OS/DA databases). For purposes of this Section 30.4.3, mistakes shall not include matters arising exclusively out of the willful misconduct of CenturyLink or its employees or agents.

33.1 Cooperation. The Parties will work cooperatively in a commercially reasonable manner to install and maintain a reliable network, respectively. Granite and CenturyLink will exchange appropriate information (e.g., network information, maintenance contact numbers, escalation procedures, and information required to comply with requirements of law enforcement and national security agencies) to achieve this desired reliability. In addition, the Parties will work cooperatively in a commercially reasonable manner to apply sound network management principles to alleviate or to prevent traffic congestion and to minimize fraud associated with third number billed calls, calling card calls, and other services related to this Agreement.

If Granite causes an Impairment in Service, CenturyLink shall promptly notify Granite of the nature and location of the problem and that, unless promptly rectified, a temporary discontinuance of the use of any circuit, facility or equipment may be required. The Parties agree to work together to attempt to promptly resolve the Impairment of Service. If Granite is unable to promptly remedy the Impairment of Service, then CenturyLink may, at its option, temporarily discontinue the use of the affected circuit, facility or equipment until the Impairment of Service is remedied.

- 31.4 Outage Repair Standard. In the event of an outage or trouble in any service being provided by CenturyLink hereunder, Granite will follow CenturyLink's standard procedures for isolating and clearing the outage or trouble.

transaction(s) to the extent practicable and the use of any other interface or process will be discontinued.

- 35.2 The Parties agree that orders for services under this Agreement will not be submitted or accepted until the latter of (a) the completion of all account set up activities including but not limited to the submission of the CLEC Profile required by Section 13, the submission of applicable forecasts, the completion of joint planning meetings, and the creation of billing codes for Granite; or (b) sixty (60) Calendar Days after the Effective Date of this Agreement; unless the Parties mutually agree upon a different date based on the specific circumstances of the Parties' relationship.

36.0 POINTS OF CONTACT FOR GRANITE CUSTOMERS

- 36.1 Granite shall be the primary point of contact for Granite customers. Granite shall establish telephone numbers and mailing addresses at which Granite's End User Customers may communicate with Granite and shall advise Granite End User Customers of these telephone numbers and mailing addresses.
- 36.2 Except as otherwise agreed to by CenturyLink, CenturyLink shall have no obligation, and may decline, to accept a communication from a Granite customer, including, but not limited to, a Granite customer request for repair or maintenance of a CenturyLink service provided to Granite.

37.0 PUBLICITY AND USE OF TRADEMARKS

- 37.1 Nothing in this Agreement shall grant, suggest, or imply any authority for one Party to use the name, trademarks, service marks, or trade names of the other for any purpose whatsoever. A Party, its Affiliates, and their respective contractors and agents, shall not use the other Party's trademarks, service marks, logos or other proprietary trade dress, in connection with the sale of products or services, or in any advertising, press releases, publicity matters or other promotional materials, unless the other Party has given its express written consent for such use, which consent the other Party may grant or withhold in its sole discretion.
- 37.2 Any news release, public announcement, advertising, or any form of publicity pertaining to this Agreement, provision of services or facilities pursuant to it, or association of the Parties with respect to provision of the services described in this Agreement shall be subject to prior written approval of both CenturyLink and Granite.
- 37.3 INTENTIONALLY LEFT BLANK
- 37.4 Notwithstanding the foregoing, nothing contained herein shall be construed as prevent either Party from publically stating the fact that it has executed this Agreement with the other Party, including, without limitation, Granite may refer to CenturyLink during contact with customers as Granite's "underlying network provider" but not in any form of advertisement media such as radio.

38.0 REFERENCES

- 38.1 All references to Articles, Sections, Appendices and Tables and the like shall be deemed to be references to Articles, Sections, Appendices and Tables of this Agreement unless the context shall otherwise require.
- 38.2 Except as otherwise specified, references within an Article of this Agreement to a Section, Article or Table refer to a Section, Article or Table within or a part of that same Article.
- 38.3 Unless the context shall otherwise require, any reference in this Agreement to a statute, regulation, rule, Tariff, technical publication, guide (including CenturyLink or third-party guides, practices or handbooks), or publication of telecommunications industry administrative or technical standards is deemed to be a reference to the most recent version or edition (including any amendments, supplements, addenda or successor) of that statute, regulation, rule, Tariff, technical publication, guide or publication of the telecommunications industry administrative or technical standards that is in effect.

39.0 RELATIONSHIP OF THE PARTIES

- 39.1 The relationship of the Parties under this Agreement shall be that of independent contractors and nothing herein shall be construed as creating any other relationship between the Parties.
- 39.2 Nothing contained in this Agreement shall make either Party the employee of the other, create a partnership, joint venture, or other similar relationship between the Parties, or grant to either Party a license, franchise, distributorship or similar interest.
- 39.3 Except for provisions herein expressly authorizing a Party to act for another Party, nothing in this Agreement shall constitute a Party as a legal representative or Agent of the other Party, nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, in the name or on behalf of the other Party unless otherwise expressly permitted by such other Party in writing, which permission may be granted or withheld by the other Party in its sole discretion.
- 39.4 Each Party shall have sole authority and responsibility to hire, fire, compensate, supervise, and otherwise control its employees, Agents and contractors. Each Party shall be solely responsible for payment of any Social Security or other taxes that it is required by Applicable Law to pay in conjunction with its employees, Agents and contractors, and for withholding and remitting to the applicable taxing authorities any taxes that it is required by Applicable Law to collect from its employees, including but not limited to Social Security, unemployment, workers' compensation, disability insurance, and federal and state withholding.
- 39.5 Except as provided by Section 42, the persons provided by each Party to perform its obligations hereunder shall be solely that Party's employees and

shall be under the sole and exclusive direction and control of that Party. They shall not be considered employees of the other Party for any purpose.

- 39.6 Except as otherwise expressly provided in this Agreement, no Party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.
- 39.7 The relationship of the Parties under this Agreement is a non-exclusive relationship.
- 39.8 Each Party shall indemnify the other for any loss, damage, liability, claim, demand, or penalty that may be sustained by reason of its failure to comply with this provision.

40.0 RESERVATION OF RIGHTS

Notwithstanding anything to the contrary in this Agreement, neither Party waives, and each Party hereby expressly reserves, its rights: (a) to appeal or otherwise seek the reversal of and changes in any arbitration decision associated with this Agreement; (b) to challenge the lawfulness of this Agreement and any provision of this Agreement; (c) to seek changes in this Agreement (including, but not limited to, changes in rates, charges and the services that must be offered) through changes in Applicable Law; and, (d) to challenge the lawfulness and propriety of, and to seek to change, any Applicable Law, including, but not limited to any rule, regulation, order or decision of the Commission, the FCC, or a court of applicable jurisdiction. Nothing in this Agreement shall be deemed to limit or prejudice any position a Party has taken or may take before the Commission, the FCC, any other state or federal regulatory or legislative bodies, courts of applicable jurisdiction, or industry fora. The provisions of this Section shall survive the expiration, cancellation or termination of this Agreement.

41.0 STANDARD PRACTICES

- 41.1 The Parties acknowledge that CenturyLink shall be adopting some industry standard practices and/or establishing its own standard practices with regard to various requirements hereunder applicable for the Granite industry which may be added or incorporated by reference in the Standard Practices. Granite agrees that CenturyLink may implement such practices to satisfy any CenturyLink obligations under this Agreement.

42.0 SUBCONTRACTORS

A Party may use a contractor of the Party (including, but not limited to, an Affiliate of the Party) to perform the Party's obligations under this Agreement; provided, that a Party's use of a contractor shall not release the Party from any duty or liability to fulfill the Party's obligations under this Agreement

43.0 SUCCESSORS AND ASSIGNS – BINDING EFFECT

This Agreement shall be binding on and inure to the benefit of the Parties and their respective legal successors and permitted assigns.

44.0 SURVIVAL

The rights, liabilities and obligations of a Party for acts or omissions occurring prior to the expiration, cancellation or termination of this Agreement, the rights, liabilities and obligations of a Party under any provision of this Agreement regarding confidential information (including but not limited to, Section 14, limitation or exclusion of liability, indemnification or defense (including, but not limited to, Section 30), and the rights, liabilities and obligations of a Party under any provision of this Agreement which by its terms or nature is intended to continue beyond or to be performed after the expiration, cancellation or termination of this Agreement, shall survive the expiration, cancellation or termination of this Agreement.

45.0 TAXES

Any State or local excise, sales, or use taxes (defined in Section 45.1 but excluding any taxes levied on income) and fees/regulatory surcharges (defined in Section 45.2) resulting from the performance of this Agreement shall be borne by the Party upon which the obligation for payment is imposed under Applicable Law, even if the obligation to collect and remit same is placed upon the other Party. The collecting Party shall charge and collect from the obligated Party, and the obligated Party agrees to pay to the collecting Party, all applicable taxes, or fees/regulatory surcharges, except to the extent that the obligated Party notifies the collecting Party and provides to the collecting Party appropriate documentation as the collecting Party reasonably requires that qualifies the obligated Party for a full or partial exemption. Any such taxes shall be shown as separate items on applicable billing documents between the Parties. The obligated Party may contest the same in good faith, at its own expense, and shall be entitled to the benefit of any refund or recovery, provided that such Party shall not permit any lien to exist on any asset of the other Party by reason of the contest. The collecting Party shall cooperate in any such contest by the other Party. The other Party will indemnify the collecting Party from any sales or use taxes that may be subsequently levied on payments by the other Party to the collecting Party.

- 45.1 Tax. A tax is defined as a charge which is statutorily imposed by the federal, State or local jurisdiction and is either (a) imposed on the seller with the seller having the right or responsibility to pass the charge(s) on to the purchaser and the seller is responsible for remitting the charge(s) to the federal, State or local jurisdiction or (b) imposed on the purchaser with the seller having an obligation to collect the charge(s) from the purchaser and remit the charge(s) to the federal, State or local jurisdiction.

Taxes shall include but not be limited to: federal excise tax, State/local sales and use tax, State/local utility user tax, State/local telecommunication excise tax, State/local gross receipts tax, and local school taxes. 46.0 TBD PRICES

- 46.1 Certain provisions in this Agreement and its Appendices and/or Attachments may simply refer to pricing principles or identify a rate as “to be determined” or “TBD.” If a provision references a specific rate element in an Article or Attachment and there are no corresponding prices or rates in such Article or Attachment, such price shall be considered “To Be Determined” (TBD). With respect to all TBD prices, prior to Granite ordering any such TBD item, the Parties shall meet and confer to establish a price.
- 46.2 In the event the Parties are unable to agree upon a price for a TBD item, the tariffed rate for the most analogous tariffed product or service shall be used as the interim price less applicable wholesale discount. Either Party may then invoke the dispute resolution process set forth in Article III to resolve disputes regarding TBD pricing or the interim price, provided that such dispute resolution process is invoked no later than one (1) year after the applicable interim price is established. Any interim price will be subject to a true-up, not to exceed one (1) year, once a permanent price is established.

47.0 TECHNOLOGY UPGRADES

Notwithstanding any other provision of this Agreement, CenturyLink shall have the right to deploy, upgrade, migrate and maintain its network at its discretion. Nothing in this Agreement shall limit CenturyLink’s ability to modify its network through the incorporation of new equipment or software or otherwise. Granite shall be solely responsible for the cost and activities associated with accommodating such changes in its own network.

48.0 TERRITORY

- 48.1 This Agreement applies to the territory in which CenturyLink operates as an Incumbent Local Exchange Carrier ("ILEC") in the State of Alabama. CenturyLink shall be obligated to provide services under this Agreement only within this territory.
- 48.2 Notwithstanding any other provision of this Agreement, CenturyLink may terminate this Agreement as to a specific operating territory or portion thereof pursuant to Section 2.7 of this Article.

49.0 THIRD-PARTY BENEFICIARIES

Except as expressly set forth in this Agreement, this Agreement is for the sole benefit of the Parties and their permitted assigns, and nothing herein shall create or be construed to provide any third-persons (including, but not limited to, customers or contractors of a Party) with any rights (including, but not limited to, any third-party beneficiary rights) hereunder. Except as expressly set forth in this Agreement, a Party shall have no liability under this Agreement to the customers of the other Party or to any other third person.

50.0 UNAUTHORIZED CHANGES

- 50.1 Procedures. If Granite submits an order for resold services under this Agreement in order to provide service to an End User Customer that at the time the order is submitted is obtaining its local services from CenturyLink or another LEC using CenturyLink resold services and the End User Customer notifies CenturyLink that the End User Customer did not authorize Granite to provide local Telephone Exchange Services to the End User Customer, Granite must provide CenturyLink with written documentation of authorization from that End User Customer within thirty (30) calendar days of notification by CenturyLink. If Granite cannot provide written documentation of authorization within such time frame, Granite must, within three (3) Business Days thereafter:
- (a) direct CenturyLink to change the End User Customer back to the LEC providing service to the End User Customer before the change to Granite was made;
 - (b) provide any End User Customer information and billing records Granite has obtained relating to the End User Customer to the LEC previously serving the End User Customer; and
 - (c) notify the End User Customer and CenturyLink that the change back to the previous LEC has been made.
- 50.2 CenturyLink will bill Granite fifty dollars (\$50.00) per affected line in lieu of any additional charge in order to compensate CenturyLink for switching the End User Customer back to the original LEC.

51.0 USE OF SERVICE

Article III: General Terms & Conditions

Granite Telecommunications – AL 2012

Page 48

Each Party shall make commercially reasonable efforts to ensure that its End User Customers comply with the provisions of this Agreement (including, but not limited to the provisions of applicable Tariffs) applicable to the use of services purchased by it under this Agreement.

52.0 WAIVER

A failure or delay of either Party to enforce any of the provisions of this Agreement, or any right or remedy available under this Agreement or at law or in equity, or to require performance of any of the provisions of this Agreement, or to exercise any option which is provided under this Agreement, shall in no way be construed to be a waiver of such provisions, rights, remedies or options, and the same shall continue in full force and effect.

53.0 WITHDRAWAL OF SERVICES

Notwithstanding anything contained in this Agreement, except as otherwise required by Applicable Law, to the extent that CenturyLink no longer offers a particular service to its own End User Customers then CenturyLink may terminate its offering and/or provision of such particular service offering covered by this Agreement upon at least ninety (90) calendar days prior written notice to Granite unless otherwise ordered or provided for by Order or Law.

ARTICLE IV: RESALE

1.0 TELECOMMUNICATIONS SERVICES PROVIDED FOR RESALE

- 1.1 This Article describes services that CenturyLink will make available to Granite for resale. All services or offerings of CenturyLink, which are to be offered for resale pursuant to the Act, are subject to the terms and conditions herein, the applicable general terms and conditions in Articles II & III, and Applicable Law. CenturyLink shall make available to Granite for resale any Telecommunications Services that CenturyLink currently offers, or may offer hereafter, on a retail basis to subscribers that are not Telecommunications Carriers, including such services as are made available by CenturyLink to its retail End User Customers via its applicable retail tariff (hereinafter, “resold services”).
- 1.2 Resold services are available where facilities then currently exist, and are capable of providing such services without construction of additional facilities or enhancement of existing facilities. However, if Granite requests that facilities be constructed or enhanced to provide resold services, CenturyLink will construct facilities to the extent necessary to satisfy its obligations to provide basic Telephone Exchange Service as set forth in CenturyLink’s retail Tariffs, catalogs, price lists, or other retail Telecommunications Services offerings and Commission rules. Under such circumstances, CenturyLink will develop and provide to Granite a price quote for the construction. Construction charges associated with resold services will be applied in the same manner that construction charges apply to CenturyLink retail End User Customers. If the quote is accepted by Granite, Granite will be billed the quoted price and construction will commence after receipt of payment.
- 1.3 Except as specifically provided otherwise in this Agreement, pre-ordering, ordering and provisioning of resold services shall be governed by the CenturyLink Service Guide.
- 1.4 CenturyLink and its suppliers shall retain all of their rights, title and interest in all facilities, equipment, software, information, and wiring, used to provide Granite with resold services under this Agreement.
- 1.5 CenturyLink shall have access at all reasonable times to Granite customer locations for the purpose of installing, inspecting, maintaining, repairing, and removing, facilities, equipment, software, and wiring, used to provide resold services under this Agreement. Granite shall, at Granite’s expense, obtain any rights and/or authorizations necessary for such access.
- 1.6 Except as otherwise agreed to in writing by CenturyLink, CenturyLink shall not be responsible for the installation, inspection, repair, maintenance, or removal, of facilities, equipment, software, or wiring provided by Granite or Granite’s End User Customers for use with any resold services.

2.0 GENERAL TERMS AND CONDITIONS FOR RESALE

- 2.1 Primary Local Exchange Carrier Selection. Both Parties shall apply the principles set forth in FCC Rules, 47 C.F.R. §§ 64.1100, *et seq.*, to process End User selection of primary local exchange carriers. Neither Party shall require a written Letter of Authorization (LOA) in order to process the required service orders to effectuate the migration, but instead shall follow the Blanket LOA procedures set forth in Article III, Section 31.
- 2.2 Customer-Initiated Change in Provider. The Parties shall comply with all applicable Commission rules regarding switching End User Customers from one telecommunications provider to another, including those rules governing initiating a challenge to a change in an End User Customer's local service provider.
- 2.2.1 When an End User Customer changes or withdraws authorization, each Party shall release customer-specific facilities in accordance with the End User Customer's direction or the direction of the End User Customer's authorized agent.
- 2.3 End User Customers with An Unpaid Balance. If an End User Customer has an unpaid balance with CenturyLink, CenturyLink will not process a Granite service order for the End User Customer until the balance is paid, unless otherwise required by Applicable Law.
- 2.4 Granite as Customer of Record. Granite will be the customer of record for all services purchased from CenturyLink. Except as specified herein, CenturyLink will take orders from, bill and expect payment from Granite for all services ordered.
- 2.5 Billing. CenturyLink shall not be responsible for the manner in which Granite bills its End User Customers. All applicable rates and charges for services provided to Granite or to Granite's End User Customers under this Article will be billed directly to Granite and shall be the responsibility of Granite regardless of Granite's ability to collect; including but not limited to toll and third-party charges unless Granite has taken appropriate actions to restrict Granite's End User Customers' ability to incur such charges.
- 2.6 Local Calling Detail. Except for those services and in those areas where measured rate local service is available to End User Customers, monthly billing to Granite does not include local calling detail. However, Granite may request and CenturyLink shall consider developing the capabilities to provide local calling detail in those areas where measured local service is not available for a mutually agreeable charge.
- 2.7 Originating Line Number Screening (OLNS). Upon request and when CenturyLink is technically able to provide and bill the service, CenturyLink will update the database to provide OLNS, which indicates to an operator the acceptable billing methods for calls originating from the calling number (e.g., penal institutions, COCOTS).

- 2.8 Timing of Messages. With respect to CenturyLink resold measured rate local service(s), where applicable, chargeable time begins when a connection is established between the calling station and the called station. Chargeable time ends when the calling station “hangs up,” thereby releasing the network connection. If the called station “hangs up” but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the network.

3.0 PRICING

- 3.1 Calculation of the Resale Discount and the Resulting Resale Rate. The prices charged to Granite for local services shall be calculated as follows:
- 3.1.1 A discount as shown in Article: Resale Pricing (“Resale Article”) of this Article shall apply to the monthly retail rate of all Telecommunications Services made available for resale in this Article, except those services excluded from resale or from receiving the resale discount as set forth in this Article or Applicable Law. The terms “wholesale discount” and “resale discount,” as used in this Article, are interchangeable.
 - 3.1.2 The discount dollar amount calculated under Section 3.1.1 above will be deducted from the monthly retail rate of the Telecommunications Service.
 - 3.1.3 The resulting discounted rate is the monthly resale rate of the Telecommunications Service.
- 3.2 Promotions. CenturyLink shall make available for resale those promotional offerings that are greater than ninety (90) days in duration, and any such promotional rate will be subject to the applicable resale discount. CenturyLink shall make available for resale those promotional offerings that are less than ninety (90) days in duration; however, any such promotional rates will not be subject to, and may not be used with, the applicable resale discount. For promotional offerings that are less than ninety (90) days in duration and CenturyLink does not make such promotions available as sequential ninety (90)-day promotions, Granite may choose either the promotion or the discounted retail rate at its discretion. In all cases, in order to obtain a promotional offering, Granite must qualify for the promotional offering under the stated terms of the offering and must request the offering at the time of order placement. Granite shall not be eligible for any post-provisioning retroactive applicability of a promotional offering.
- 3.3 Resale of “As Is” Services. When a CenturyLink End User changes service providers to Granite resold service of the same type without any additions or changes, the only applicable non-recurring charge shall be the LSR service order charge.
- 3.4 Resale with Changes in Services. If a Granite End User Customer adds features or services when the End User Customer changes its resold local service from CenturyLink or another CLEC to Granite, CenturyLink will charge Granite the

normal LSR service order charges and/or non-recurring charges associated with said additions.

- 3.5 Nonrecurring Charges. The resale discount, as shown in the Resale Article of this Article, does not apply to non-recurring charges (NRCs), whether such NRCs are contained in this Agreement or in CenturyLink's applicable retail tariffs or Price Lists.

4.0 LIMITATIONS AND RESTRICTIONS ON RESALE

- 4.1 General. To the extent consistent with Applicable Law, Granite may resell local services to provide Telecommunications Services to its End User Customers. In addition to the limitations and restrictions set forth in this Section 4, CenturyLink may impose other reasonable and non-discriminatory conditions or limitations on the resale of its Telecommunications Services to the extent permitted by Applicable Law.
- 4.2 Cross-Class Selling. Granite shall not resell to one class of customers a service that is offered by CenturyLink only to a particular class of customers to classes of customers that are not eligible to subscribe to such services from CenturyLink (e.g., R-1 to B-1, disabled services or lifeline services to non-qualifying customers).
- 4.3. Telephone Assistance Programs. Granite shall not resell lifeline services, services for the disabled or other telephone assistance programs. Where Granite desires to provide lifeline services, services for the disabled or similar telephone assistance programs to its customer, CenturyLink will resell the customer's line as a residential line (with applicable wholesale discount) and Granite shall be responsible for re-certifying the line pursuant to Applicable Law and for participating in the lifeline, disabled services or telephone assistance discount pool without the assistance of CenturyLink. In no event shall CenturyLink be responsible for recovering or assisting in the recovery of lifeline, disabled services or telephone assistance program discounts on behalf of Granite. Granite is exclusively responsible for all aspects of any similar Granite-offered program, including ensuring that any similar Granite-offered program(s) complies with all applicable federal and State requirements, obtaining all necessary End User certifications and re-certifications, submitting written designation that any of Granite's End User Customers or applicants are eligible to participate in such programs, submitting Granite's claims for reimbursement to any applicable governmental authority and any other activities required by any applicable governmental authority.
- 4.4 Promotional Offerings Lasting Less Than 90 Days. CenturyLink, either directly or through a third party, publishes and distributes alphabetical (white pages) and/or classified (yellow pages) telephone directories (hereinafter the "Directory" or "Directories" as the case may be) in certain CenturyLink local exchange service areas (the "CenturyLink Local Areas").

This Article sets forth the rates, terms and conditions pursuant to which CenturyLink agrees to provide to Granite basic services associated with the Directories such as publication of listings and distribution (the "Directory Services" or "Services") as more particularly described in of this Article. These terms are applicable only to hard copy directory books. CenturyLink and Granite may, from time to time, agree on the provision of additional services ("Additional Services"), which shall be furnished pursuant to addendums to this Article and governed by the terms and conditions set forth in this Agreement. No addendum for Additional Services shall be binding unless signed by the Parties.

2. GRANITE OBLIGATIONS AND RESPONSIBILITIES

The following obligations shall be the responsibility of Granite, which obligations, unless otherwise expressly set forth herein, shall be performed within the time frames and in accordance with the policies and procedures set forth herein:

- a. Granite may, in its sole discretion, submit to CenturyLink or, if so elected by Granite to submit an annual data file as provided herein to its designated third party publisher ("Publisher") Listing Information (as hereinafter defined), as determined by Granite, relating to its subscribers ("Subscribers") who desire published listings within a CenturyLink Directory. For purposes of this Agreement, "Listing Information" shall consist of the Subscriber's name, address, telephone number, desired yellow pages classified heading (if any), and any other required listing information. Under no circumstances shall Granite provide Subscriber data as a part of Listing Information for those Subscribers who do not desire published listings. Listing Information shall be supplied by Granite without charge to CenturyLink. Listing Information shall be supplied, to CenturyLink, in a Local Service Request ("LSR") or a standalone Directory Service Request ("DSR") or, if to the Publisher, in a data file format as provided herein. Listing Information shall be submitted within the time frames as reasonably directed by CenturyLink and in accordance with established service guidelines in the CenturyLink Standard Practices, which may be accessed at <http://business.centurytel.com//business/Wholesale/>. Listing Information provided to CenturyLink via an LSR or DSR will be used by CenturyLink for purposes related to publishing directory listings.
- b. If providing Listing Information via an LSR or DSR, Granite shall separately provide to CenturyLink Directory delivery address data for Subscribers, if different from the Listing Information, and for those Subscribers who do not

desire published listings. Where Granite elects to send an annual data file of Listing Information to the Publisher, Granite shall provide a separate distribution file to the Publisher.

- c. If required for resolution of a Directory related inquiry, request or complaint received by Granite from its Subscribers, Granite shall promptly notify CenturyLink, but in any event within ten (10) days, of receipt of such inquiry, request, or complaint and shall reasonably cooperate with CenturyLink and Publisher to resolve such matters in a timely and expeditious manner. If the Parties are unable to resolve such matters within thirty (30) days, either Party may invoke the Dispute Resolution process in this Agreement.
- d. If providing Listing Information via an LSR or DSR, Granite shall process all Listing Information change requests received from its Subscribers within commercially reasonable time frames.
- e. If providing Listing Information via an LSR or DSR, Granite shall transmit to CenturyLink all information arising from Subscriber transactions that should result in an addition to, a change in or a deletion of any Listing Information previously transmitted by Granite to CenturyLink and held in CenturyLink's database.
- f. Granite will pay charges as set forth in the Pricing Article for Services. Such charges shall include, but are not limited to, expenses associated with work performed by the Publisher.. Where Granite requests services or work that is outside the scope of that set forth in this Article, CenturyLink shall provide the proposed charges, with explanation of the basis for the charges, and obtain prior written approval from Granite to undertake such work on Granite's behalf.
- g. For Listing Information held in the CenturyLink database, Galley Proofs (as hereinafter defined) are provided at no charge by CenturyLink 30 days prior to the annual Business Office Close ("BOC") for a Directory. Granite shall review the Galley Proofs and provide corrections to CenturyLink no later than five (5) business days prior to the BOC ("cut-off date"). Such cut-off date shall be at parity with that required for CenturyLink to enter corrections of its own Listing Information. Notwithstanding the foregoing, should either Party identify pervasive or systemic errors requiring corrections to more than 10 percent of Granite's listings, Granite will take commercially reasonable efforts to initiate the process of submitting corrections no later than 15 days prior to BOC. Granite expressly acknowledges that time is of the essence with respect to the publishing cycle of any Directory and that changes are subject to a change charge as listed for Galley Proof changes in this Article VII; provided however, no charge is applied if the error was made by CenturyLink. In the event Granite fails to provide CenturyLink with written notice of any necessary corrections within the time frame set forth in this provision, such Galley Proofs shall be deemed to be correct and Granite shall indemnify CenturyLink for any claims by Subscribers related to errors in the Directory as published in reliance on such Galley Proofs provided, however, that CenturyLink provides the Galley Proofs to Granite with the time frames required herein and that such Galley Proofs have not been modified after Granite's review. Granite may request additional Galley Proofs

with at least one (1) week's advance notice to CenturyLink and at charges as provided in Exhibit B.

- h. If Granite elects to provide Listing Information via an annual data file to the CenturyLink Publisher, Granite will: (i) provide the annual one time data file for each individual directory to the Publisher prior to the BOC, with notice to CenturyLink at least forty-five (45) days prior to file submission of Granite intent to provide a data file of Listing Information; and (ii) provide the data file of Listing Information in a format as provided in Section 7 of this Article.

Standard Granite Listings shall be interfiled alphabetically with listings of other local exchange telephone company subscribers and treated in the same manner as CenturyLink Listings and pursuant to this Article.
- b. If the Parties disagree as to their responsibilities pursuant to this Section 3.b, either Party may invoke the Dispute Resolution terms of this Agreement.
- c. CenturyLink shall make available, at no charge to Granite or its Subscribers, one listing for each Granite business customer under the appropriate heading (if such heading is supplied by Granite) in CenturyLink's applicable classified Directories, such headings and Directories to be determined at CenturyLink's discretion. CenturyLink shall work cooperatively with Granite to ensure any such listings for government agencies are also included in the appropriate section and under the appropriate heading.

Further, the Parties agree that such Listing Information provided to third party directory publishers shall not contain information or data that could be used to distinguish Granite Subscribers from CenturyLink or other CLEC Subscribers.
- f. CenturyLink shall distribute alphabetical and classified Directories to local Subscribers at the time the Directory is published, at no charge to Granite or Subscribers, in accordance with CenturyLink's procedures, provided that physical Directory delivery information has been provided by Granite. Such Secondary Distribution shall be in accordance with CenturyLink's standard procedures. CenturyLink shall make available in the published Directory to Granite's Subscribers an 800 number to use for any Secondary Distribution requirements.
- g. Except where Granite elects to submit Listing Information directly to the Publisher, CenturyLink shall provide an extract of Granite Subscribers' alphabetical listings thirty (30) days prior to the Business Office Close ("BOC") date for a Directory publication (generally referred to as a "Galley Proof"). Said review process shall be subject to the availability of Granite Listings in advance of publication and within the time/deadline constraints imposed by CenturyLink and/or its Publisher as set forth above in Section 2. Granite shall be responsible for any costs associated with the review process charged by CenturyLink and/or its Publisher; provided however, where such costs associated with the review process are not set forth in this Article VII to this Agreement, CenturyLink shall provide in writing costs to be incurred and obtain the prior written consent of Granite before engaging in any such work on behalf of Granite.
