DOCKET 33639

PROCEDURAL RULING

A conference call was held today, January 16, 2026, in which Camp Hill, the Attorney General's Office and Commission staff participated. As discussed during today's conference call, Camp Hill is directed to file an update, regarding the test/surveys and its overall compliance as directed in the December 18, 2025 Procedural Ruling, by the close of business on January 20, 2026. It is important to note, this in no way supersedes the Safety Plan issued by the Gas Pipeline Safety Division – timeframes, weekly updates, etc., still apply. Additionally, all parties are directed, if they so choose, to file briefs in this matter in the form of proposed orders by close of business on January 23, 2026.

IT IS SO RULED.

Done at Montgomery, Alabama this 16th day of January 2026.
