PROCEDURAL RULING

R&D Wastewater Management LLC ("R&D") seeks a certificate of financial viability to operate as a wastewater management entity serving residential customers in the Flat Rock Cove subdivision. A hearing was held on this matter on March 10, 2025. At the hearing, R&D agreed to provide the following information in response to questions about the application:

1. Copy of the contract between Thompson Excavation Services and the developer of the Flat Rock Cove subdivision;
2. Support for the valuation of the real property where the wastewater treatment system is located;
3. Bond, letter of credit, pledge of assets, or other similar instrument to comply with Ala. Code § 22-25B-6 and Rule WW-7;
4. Engineering study detailing the specifications of the Flat Rock Cover wastewater treatment system;
5. Tariff with all rates and rules for wastewater service; and
6. Documents to provide information on the status of environmental permit.

Please provide these documents by March 21, 2025.

IT IS SO RULED.

DONE at Montgomery, Alabama, this 13th day of March 2025.
