HAULING AND EXCAVATING,

INFORMAL DOCKET C-19362

CERTIFICATE F1002

Petitioner

ORDER

BY THE COMMISSION:

Effective 30 days from the February 5, 2019, Order of Revocation entered in this proceeding, Motor Carrier Certificate F1002 held by Charles A. Brown d/b/a C. Brown's Hauling and Excavating, 3356 County Road 92 (P. O. Box 142), Fyffe, Alabama 35971, was revoked for failure to maintain proper proof of liability and cargo insurance coverage as required by law.

On or about March 18, 2019, the Petitioner submitted documentation that the liability and cargo insurance coverage required by law had been maintained in full force and effect continuously, but proper proof of such coverage did not reach the Commission due to an error by the insurer in submitting the required Form E and Form H filings.

As the Petitioner has satisfactorily demonstrated that the required liability and cargo insurance coverage has been properly maintained and the Form E and Form H demonstrating such coverage have now been properly presented, it appears that the effective date of the Order of Revocation issued on February 5, 2019, should be extended.

Therefore, pursuant to the Commission's Order in Informal Docket U-4716, dated January 17, 2006, the effective date of the Order of Revocation issued on February 5, 2019, is hereby extended to and through April 30, 2019.

Jurisdiction in this proceeding will be retained for any Commission order or orders, including general orders, that may appear to be warranted in the future.

By the Commission,

G. Scott Morris
