GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

GENERAL

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Charter Communications, Inc. ("Charter") and its 129 affiliated debtors, including Charter Investment, Inc. ("CII") in these jointly administered chapter 11 cases (each, a "Debtor") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their advisors and are unaudited. Schedules and Statements for CII are being prepared by CII. Although management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because, among other things, the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, although the Debtors believe certain of the Debtors are solvent, nothing contained in the Schedules and Statements shall constitute a waiver of any rights with respect to these chapter 11 cases (the "Chapter 11 Cases"), including, but not limited to, issues involving equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements. These Global Notes are in addition to the specific notes contained in the Debtors' Schedules and Statements. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule (or Statement) and not to others does not exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules (or Statements), as appropriate.

Description of the Cases and "As Of" Information Date

On March 27, 2009 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 30, 2009, an order was entered directing procedural consolidation and joint administration of these Chapter 11 Cases. Each Debtor's fiscal year ends on December 31. All asset information contained in the Schedules and Statements, except where otherwise noted, is as of February 28, 2009. The liability information, except where otherwise noted, is as of the close of business on the Petition Date of each respective Debtor, as appropriate. All other information is as of the Petition Date, unless otherwise indicated.

Confidentiality

There may be instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between a Debtor and a third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

Amendment

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary and appropriate.

Basis of Presentation

Charter is a publicly-held corporation, and prior to the Petition Date its Class A common shares traded on the NASDAQ Stock Market ("NASDAQ") under the symbol "CHTR." On March 27, 2009, NASDAQ notified CCI that NASDAQ will suspend and delist trading of the Company's common stock on the NASDAQ Stock Market, effective with the open of business on April 7, 2009. The shares of the Company's Class A common stock currently trade on the "Pink Sheets" under the symbol "CHTRQ". For financial reporting purposes, Charter prepares consolidated financial statements, and certain other subsidiary Debtors also prepare stand-alone financial statements, some of which are filed with the Securities and Exchange Commission (the "SEC") and are audited annually. Unlike the consolidated financial statements, these Schedules and Statements reflect stand-alone assets and liabilities of each separate Debtor, except where indicated otherwise. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors, without regard to elimination entries necessary to prepare consolidated financial statements, would result in amounts that would be substantially different from financial information regarding Charter and its subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements filed by the Debtors with the SEC.

Recharacterization

The Debtors have made reasonable efforts to characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements correctly. However, due to the complexity and size of the Debtors' businesses, the Debtors may have improperly characterized, classified, categorized or designated certain items. The Debtors thus reserve their right to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available, including, but not limited to, whether contracts listed herein were executory as of the Petition Date or remain executory postpetition.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included on the Schedules and Statements.

Excluded Assets and Liabilities

The Debtors have excluded certain assets from the Schedules and Statements including goodwill, customer relationships, and assets with a net book value of zero. These assets are not listed because there is most likely no fair market value associated with these assets. The Debtors have excluded certain liabilities from the Schedules and Statements including accrued liabilities, accrued salaries and employee benefits, tax accruals and accrued accounts payable. Liabilities resulting from accruals and/or estimates of long-term liabilities either are not payable at this time, have not been approved for payment under the Debtors' normal procedures, or have not yet been reported and, therefore, do not represent specific claims as of the Petition Date. Intercompany receivables and payables (except those evidenced by promissory notes) and investments in subsidiaries have not been included. Other immaterial assets and liabilities may also have been excluded.

Undetermined Amounts

The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Summary of Significant Reporting Policies

The following is a summary of significant reporting policies:

A) Current Market Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, the net book values for assets as of February 28, 2009 are reflected in the Debtors' Schedules and Statements. Accordingly, amounts ultimately realized may vary from net book value and such variance may be material. Bank account cash reported on Schedule B-2 is presented as bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, such as franchises, are listed as undetermined amounts as of the Petition Date because the net book values may materially differ from fair market values. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets as recorded on the Debtors' books as of February 28, 2009 and are not based upon any estimate of their current market value.

B) Intercompany Loans. The Debtors have provided information related to intercompany loans as evidenced by promissory notes, including interest on such loans (collectively, the "Intercompany Loans").

C) Accounts Receivable. For confidentiality and materiality reasons, the Debtors have not listed individual customer accounts receivable balance information. Accounts receivable information has been listed net of reserve as of February 28, 2009.

D) Inventories; Property and Equipment. Inventories are stated at the lower of cost, determined using the average cost method, or market value. Property and equipment is stated at cost, net of accumulated depreciation. All inventories, as well as all property and equipment, are presented without consideration of any mechanics' liens.

E) Leases. The Debtors have not included in the Schedules the future obligations of any capital or operating leases. Capital leases were not included as assets of the Debtors on Schedule A or B. Such leases were only reported on Schedule G for the applicable Debtor. To the extent that there was an amount outstanding as of the relevant Petition Date, the creditor has been included on

UNITED STATES BANKRUPTCY COURT

Charter Communications, LLC

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

Schedule F of the Schedules.

F) Claims Designations. Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."

G) Court Orders. By separate orders of the Bankruptcy Court entered on the Petition Date, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of customer-service vendors, payroll and benefits owed to employees (including amounts owed to temporary and contract employees and third-party benefits providers), insurance claims and related obligations thereto, shippers & lienholders, and certain taxing authorities. Consequently, certain prepetition fixed, liquidated and undisputed priority and general unsecured claims have been or may be paid under this authority. To the extent possible, amounts are not listed on Schedule F if they have been paid.

Guarantees and Other Secondary Liability Claims

The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have placed Guaranty obligations on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Such Guaranties were additionally placed on Schedule D or F for each guarantor, except to the extent that such Guaranty is associated with obligations under an executory contract or expired lease identified on Schedule G. Further, the Debtors believe that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve their rights to amend the Schedules to the extent that additional Guaranties are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

Classifications

Listing a claim (i) on Schedule D as "secured," (ii) on Schedule E as "priority" or (iii) on Schedule F as "unsecured nonpriority," or listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract. In particular, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

Disputed, Contingent and/or Unliquidated Claims

Schedules D, E and F permit each of the Debtors to designate a claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a claim on the Debtors' Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated" or that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtors.

Schedule A – Real Property

The Debtors' maintain records of real property for accounting, property tax and insurance purposes; however, these records do not separately identify land and building by net book value. To prepare Schedule A, the Debtors have reported the value of land and buildings on the legal entity that is on record as the legal owner. The value is based on the most recent appraisal by the relevant taxing authority where the property is located. In certain circumstances the market value of owned real property is "Unknown" due to the taxing authorities' inclusion of real property in the business personal property valuation, even though the property is real property.

Due to the complexity of certain of the Debtors' leasing and real estate transactions, the Debtors may have inadvertently listed certain properties as real property assets on Schedule A when such properties are in fact leased properties that are the subject of certain of the executory contracts and unexpired leases reported on Schedule G. The Debtors reserve all rights to recharacterize their interests in such real property at a later date. Further, due to the volume of the Debtors' real and personal property holdings, the

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

Debtors may have listed certain assets as real property assets when such holdings are in fact in the nature of personal property holdings or the Debtors may have listed certain assets as personal property assets when such holdings are in fact real property holdings. The Debtors are continuing to review all relevant documents and expressly reserve their right to amend, recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine that such holdings were improperly listed.

The Debtors have listed certain interests in real property such as easements and rights of way and other similar interests as assets of the Debtors on Schedule A. Such real property interests are not reported on Schedule G as executory contracts or unexpired leases. Due to the volume of such real property interests, all documents entitled "easement" have been included on Schedule A. The Debtors may have certain undocumented easements in certain of its locations. Such undocumented easements are not listed and the Debtors believe any value associated with those easements is de minimis. The Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary. The real property assets are listed at an undetermined value as in most instances such interests did not carry a separate book value from the associated fixed assets system to which the real property interest related. Real property licenses, conversely, are exclusively reported on Schedule G and do not appear as real property assets on Schedule A. The Debtors reserve all of their rights, claims and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A or Schedule G, including their right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including intercompany agreement) related to a creditor's claim.

Schedule B – Personal Property

The Debtors' books and records do not reflect depreciation and amortization on a per-asset basis. In order to reflect the actual net book value of the fixed asset group, the Debtors have recorded the impairment or unallocated write-off numbers on Schedule B in an aggregate amount.

A) Schedule B-2. Operating cash is presented at bank balances as of the Petition Date by each bank account. All zero-balance accounts are reported at zero dollars, and the related concentration account is reported as a bank balance as of the Petition Date. The Debtors also hold certificates of deposit, some of which have been posted by the Debtors to comply with bonding requirements imposed by federal, state or local laws or regulations, or other legal requirements, with respect to a particular business activity of the Debtors.

B) Schedule B-5. The debtors do not maintain art acquired in connection with an acquisition as a separate item in their accounting system. For purposes of Schedule B-5, art is listed at historical cost values obtained from predecessor company records.

C) Schedule B-6. The Debtors have a small inventory of promotional items bearing the Charter logo. The items are used solely for promotional purposes and is not sold by the Debtors or otherwise distributed for sale by others. Because of the negligible value of the apparel and the limited quantities maintained by the Debtors, the Debtors have not reflected any items in this category.

D) Schedule B-16. Accounts receivable are reported net of the allowance for doubtful accounts.

E) Schedule B-23. The information provided in response to Item 23 related to intangibles includes the Debtor's general business licenses, such as franchise and telecommunication licenses.

F) Schedule B-24. Customer lists have not been provided due to confidentiality

G) Schedule B-25. Vehicles are reported at market value of each asset based on a third party valuation. The Debtors have nearly 8,000 vehicles. Company personnel familiar with the operations of the company utilized an internal database, title documents and general knowledge in determining at which legal entity the vehicles are utilized. As a result, some vehicles may be listed on a legal entity that utilizes the vehicle but does not hold title to the vehicle. In the future if it becomes necessary to perform a detailed reconciliation, the Debtors will perform the reconciliation and amend their Schedules.

H) Schedule B-28 and B-29. The Debtors utilize a project accounting system and furniture, fixtures and equipment are recorded at the invoice level as opposed to a discrete item level. The Debtors have reported each category of furniture, fixtures and equipment

net of accumulated depreciation.

I) B-35. Amounts set forth as "Corporate and Other Prepaids" relate to miscellaneous expense items that were paid in advance as of the Petition Date, including various programming fees, capital expenditures, deposits, insurance premiums, purchasing card prepayments, property taxes and other vendor amounts requiring prepayments. Assets recorded as negative net payables or other prepayments are representative of credits owed from vendors and other third parties.

As stated in the note to Schedule A above, due to the volume of the Debtors' real and personal property holdings, the Debtors may have listed certain assets as real property assets when such holdings are in fact in the nature of personal property holdings or the Debtors may have listed certain assets as personal property assets when such holdings are in fact real property holdings. The Debtors are continuing to review all relevant documents and expressly reserve their right to amend, recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine that such holdings were improperly listed.

Schedule D – Creditors Holding Secured Claims

The liens identified herein were identified based on lien searches conducted by the Debtors or their professionals in February 2009. However, except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors have not confirmed the validity of these liens or the appropriate amounts owed. Therefore, these liabilities may be listed as undetermined amounts and marked as contingent, unliquidated and disputed.

Certain of Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. At this time, no attempt has been made to identify such agreements for purposes of Schedule D; nevertheless, the Debtors reserve their rights to argue that any agreement listed in Schedule G may be treated as secured financing agreements rather than executory contracts or unexpired leases.

Schedule E – Creditors Holding Unsecured Priority Claims

All claims listed on the Debtors' Schedule E are claims owing to various taxing authorities or to former employees of the Debtors to which the Debtors may potentially be liable. However, certain of the tax claims may be subject to on-going audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E. Therefore, the Debtors have listed all such claims as undetermined in amount, pending final resolution of ongoing audits or other outstanding issues.

The Debtors believe that all of the employee claims entitled to priority under the Bankruptcy Code were paid pursuant to the "INTERIM ORDER AUTHORIZING, BUT NOT DIRECTING, DEBTORS TO (A) PAY CERTAIN PREPETITION COMPENSATION AND REIMBURSABLE EMPLOYEE EXPENSES, (B) PAY AND HONOR EMPLOYEE MEDICAL AND OTHER BENEFITS AND (C) CONTINUE EMPLOYEE WAGES AND BENEFITS PROGRAMS", docket number 70, entered by this Court at the "first day" hearing on March 30, 2009. The Debtors will seek final approval to pay such claims on April 15, 2009. As such, as of the Petition Date, the Debtors have no unsecured priority amounts related to Employee Creditors. For taxing authorities, the Debtors have not provided a list due to sheer volume and the amounts are undetermined as of the Petition Date.

Further, the Debtors obtained an "ORDER AUTHORIZING, BUT NOT DIRECTING, THE DEBTORS TO HONOR CERTAIN PREPETITION OBLIGATIONS TO CUSTOMERS AND TO OTHERWISE CONTINUE CERTAIN CUSTOMER PROGRAMS AND PRACTICES IN THE ORDINARY COURSE OF BUSINESS", docket number 62, at the "first day" hearing on March 30, 2009. The Debtors will seek final approval to pay such claims on April 15, 2009. As such, as of the Petition Date, the Debtor has no unsecured priority amounts related to Customer Deposits.

Schedule F – Creditors Holding Unsecured Nonpriority Claims

The Debtors have used their best efforts to report all general unsecured claims against the Debtors on Schedule F based upon the Debtor's existing books and records. The claims of individual creditors for, among other things, products, goods or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits or allowances due from such creditors to the Debtor. The Debtors reserve all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs with respect to same. Schedule F does not

UNITED STATES BANKRUPTCY COURT

Charter Communications, LLC

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

include certain deferred charges, deferred liabilities or general reserves. Such amounts, however, are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F. Schedule F contains information regarding pending litigation or asserted claims involving the Debtors. In certain instances where the defendant is "Charter Communications, Inc." plus "et al.," or where the Charter party cannot be definitively determined, the Debtors have listed such claim on the Schedule F-4 of Charter Communications, Inc. If multiple Debtors are parties in a given proceeding, that proceeding or asserted claims will be listed for each Debtor named. The Debtors expressly reserve the right to dispute the validity of any such claims.

Accounts payable claim amounts identified on Schedule F-1 reflect the payables owed as of the Petition Date based on the Debtors' books and records as of April 8, 2009 date. Amounts paid under the first day orders have been deducted from the amounts identified above to the extent that such information was reflected in the Debtors' books and records as of April 8, 2009. Claims fully paid under the first day orders may not be listed above. The Debtors hereby expressly reserve any and all rights to amend or revise the information set forth above.

Schedule F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that may be rejected, to the extent such damage claims exist.

Schedule G – Unexpired Leases and Executory Contracts

Schedule G contains all of the Debtors contracts and agreements as of the Petition Date. The Debtors' businesses are complex. While the Debtors' existing books, records and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors and every effort has been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or overinclusion may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments and agreements which may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

In the ordinary course of business, the Debtors may have entered into confidentiality agreements, non disclosure agreements, non-compete agreements and non-access agreements, which, to the extent that such agreements constitute executory contracts, are not listed individually on Schedule G. The Debtors generally have not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtors submit that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtors. Nonetheless, the Debtors recognize that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to determine that any such prepaid insurance policies are executory contracts, the Debtors reserve all of their rights to amend Schedule G to include such policies, as appropriate.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the applicable Debtor and such supplier or provider. Additionally, certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease. Also, certain of the executory contracts and unexpired leases listed in Schedule G refer to a former name of a Debtor. Schedule I to each of the Debtor's chapter 11 petitions lists the names that particular Debtor has used during the six years prior to the Petition Date and may be referred to in this regard.

Charter Communications, LLC

Case Number: 09-11494

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as documented and undocumented easements, access licenses, rights of way, and subordination, non-disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

The Debtors have not included easements and rights of way and other interest in real property on Schedule G. Such interests in real property have instead been included on Schedule A. Additionally, franchise agreements have not been included on Schedule G, but rather have been included on Schedule B-23. Due to the complexity of certain of the Debtors' leasing and real estate transactions, the Debtors may have inadvertently listed certain properties as real property assets on Schedule A when such properties are in fact leased properties that are the subject of certain of the executory contracts and unexpired leases reported on Schedule G.

The Debtors expressly reserve all rights to amend all Schedules at a later time as necessary. The Debtors further reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including, without limitation, any intercreditor agreement) related to a creditor's claim. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G. Additionally, Schedule G does not include any rejection damage claims of the counterparties to the executory contracts and unexpired leases that may be rejected to the extent such damage claims exist.

Schedule H – Co-Debtors

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Due to the volume of such claims, and because all such claims are contingent, disputed or unliquidated, and listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H. As stated below, Schedule H also reflects guaranties by various Debtor and non-Debtor affiliates of obligations primarily vested in other related affiliates. The Debtors may not have identified certain guaranties that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Further, the Debtors believe that certain of the guaranties reflected on Schedule H may have expired or are no longer enforceable. Thus, the Debtors reserve their rights to amend the Schedules to the extent that additional guaranties are identified or such guaranties are discovered to have expired or are unenforceable.

Claims of Third-Party Related Entities

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to both such entity and its affiliates.

Interest in Subsidiaries and Affiliates

Charter owns directly or indirectly all or part of 128 subsidiaries and affiliates that are also Debtors. Charter does not own an interest in one Debtor, CII. CII is a minority owner of Charter Communications Holding Company, LLC and is a party to the jointly administered bankruptcy proceedings. In addition, Charter indirectly owns all or part of numerous affiliates that are not Debtors. Interests in subsidiaries arise from stock ownership or from interests in partnerships. Each Debtor's Schedule B13/B14, interests in businesses, partnerships or joint ventures, contains a listing of the current capital structure of Charter and its Debtor and non-debtor affiliates and includes ownership interests in the related affiliates and partnerships of each corporate affiliate.

Effect of Payments Made Pursuant to "First Day" Orders on Scheduled Claim Amounts

The Bankruptcy Court has authorized the Debtors to pay various outstanding prepetition claims, including, for example, employee wages and benefits claims, shippers, lienholders, and taxing authorities. Where the Schedules list creditors and set forth the Debtors' scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Dates, adjusted for any

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

postpetition payments made on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court. Thus, Schedule F generally does not include prepetition liabilities that have been or will be paid under these first day orders. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtors' creditors of a right to have such claim paid or reclassified under the Bankruptcy code or orders of the Bankruptcy Court.

Statements. Questions 1 and 2 Revenue

For purposes of Statement 1 and 2, the periods included are the years ended December 31, 2007, December 31, 2008 and the two months ended February 28, 2009.

Statements. Question 3(b) Payments to Creditors

For purposes of Statement 3(b), the dates set forth in the "Date of Payment" column relate to one of the following: (a) the date of a wire transfer; (b) the date of an "ACH" payment; or (c) the issuance date for a check. Payments do not include any payments and transfers among the Debtor affiliates. To determine whether the payments aggregated \$5,475 or more, the Debtors performed an analysis at the GLID level. For Statement reporting purposes, these payments were allocated to the legal entity as described under "Summary of Significant Reporting Policies – Legal Entity Reporting". As a result, certain vendors may be reflected on a legal entity with an amount less than \$5,475.

Statements. Question 3(c) Payments to Insiders

For purposes of Statement 3(c), the Debtors define insiders as (i) the following officers: Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, General Counsel and Corporate Secretary, Chief Marketing Officer, and Chief Technology Officer; (ii) directors; (iii) beneficial stockholders that own 5% or more of the stock of any Debtor; and (iv) affiliates. The Debtors have included payments to insiders for the periods March 27, 2008 through March 26, 2009. Further, the Debtors have not included any ordinary course intercompany balances or transfers in this section. In the ordinary course of business, the Debtors are obligated to withhold amounts from the paychecks of various regular employees in connection with garnishment orders or other state law withholding orders. The Debtors believe that these amounts do not constitute property of the estate and, accordingly, are not responsive to this question. Moreover, out of concerns for the confidentiality of the Debtors' employees, the Debtors have not listed any such garnishment in response to this question.

Statements. Question 6(a) Assignments

In the ordinary course of business, the Debtors engage in transactions in which they trade services, including advertising spots, for other products and services from various suppliers ("Barter Transactions"). The Debtors record Barter Transactions in conformance with GAAP, which often requires revenue and expenses to be recorded on a gross basis at the time the service is performed. Although the Debtors do not believe this qualifies as an assignment or a set-off, this arrangement has been explained in an abundance of caution.

Statements. Question 7 Gifts

While every reasonable effort was made to ensure that the gifts listed in response to Question 7 include all gifts made, give the magnitude of the Debtors' operations, certain gifts may have inadvertently been omitted from the Statements.

Statements. Question 8 Losses

The losses listed exclude those incurred in the ordinary course of business where the amount is de minimis. Estimated losses are factored into the Debtors' depreciation policy and expensed on a routine basis rather than disposing of assets as they are lost. The Debtors' policy is consistent with others in the industry. Further, the Debtors have excluded losses that were covered by insurance proceeds in the ordinary course of business.

Statements. Question 13 Setoffs

In the ordinary course of business, the Debtors engage in transactions in which they set off advertising sales. The debtors sell media advertising spots left open to them by the programmers typically for local or regional advertising customers. The Debtors predominantly sell the media advertising spots for cash, but in select cases the spots are exchanged for goods or services from another organization. This practice is known as "Ad Sales-Trade". The parties work together to determine an equitable exchange of products and the Debtor's income reflects the transaction as gross revenue and gross cost as required under GAAP.

GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING THE DEBTORS' STATEMENTS AND SCHEDULES ("Global Notes")

Statements. Question 14 Property Held for Another Person

In the ordinary course of business, the Debtors hold unclaimed property. Unclaimed property relates to unclaimed or abandoned funds due to another party such as customer refunds, customer deposits, vendor payments and payroll checks. The Debtors hold these funds and escheat them to the appropriate authority within the statutory timeframe.

Statements. Question 18 Capital Structure

The Debtors have included six years of capital structure information. Charter and its related Debtor affiliates comprise 129 separate corporate entities. Due to the volume of corporate entities enterprise-wide, the Debtors believe it would be prohibitively difficult to track every change in the capital structure over the six years prior to the Petition Date. Thus, the attached chart reflects the capital structure as it existed at the end of each of the six years preceding the Petition Date, with major corporate changes reported on an annual basis. The Debtors do not have access to information for certain interests in other business and is indicated as "unknown" on Statement 18. The entity organization structures are reflected based on the Debtors' best knowledge and may be different from the actual organizational structure. The Debtors reserve the right to amend their Schedules and Statements to correct errors in the reported capital structure of the Debtors.

Statements. Question 19d Books, Records and Financial Statements

Pursuant to the requirements of the Securities Exchange Act of 1934, certain of the Debtors' have prepared and filed with the SEC Form 8-K Special Reports, Form 10-Q Quarterly Reports and Form 10-K Annual Reports (collectively, the "SEC Filings"). The SEC Filings contain consolidated financial information relating to certain of the Debtors and its subsidiaries. Because the SEC Filings are of public record, the Debtors do not maintain records of the parties who requested or obtained copies of any of the SEC Filings from the SEC or the Debtor.

Statements. Question 21 and 22 Officers, Directors and Shareholders

For purposes of Statements 21 and 22, the Debtors' have included the board of directors' designated officers. The officers vary among the Debtors based on the nature of the entity. Generally, officers are defined as all management titled, vice presidents and above, although certain Debtors officers are limited to executive or senior vice presidents and above.

Statements. Question 23 Distributions

Please refer to the footnotes associated with Statement Question 3(c) as it pertains to this Statement item.

SCHEDULE A - REAL PROPERTY

Except as directed below, list all real property in which the debtor has any legal, equitable, or future interest, including all property owned as a cotenant, community property, or in which the debtor has a life estate. Include any property in which the debtor holds rights and powers exercisable for the debtor's own benefit. If the debtor holds no interest in real property, write "None" under "Description and Location of Property."

Do not include interests in executory contracts and unexpired leases on this schedule. List them in Schedule G - Executory Contracts and Unexpired Leases

If an entity claims to have a lien or hold a secured interest in any property, state the amount of the secured claim. See Schedule D. If no entity claims to hold a secured interest in the property, write "None" in the column labeled "Amount of Secured Claim."

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided. If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether husband, or wife, both of them or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotal" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Repeat this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.
