**PROCEDURAL RULING**

Through a procedural ruling issued on May 6, 2019, a status conference was scheduled for June 12, 2019, at Guntersville City Hall, to assist the Commission with its investigation into the proposed tariff revisions filed by River Bend Marina, LLC ("RBM"). Counsel for RBM has requested a postponement of this status conference due to an illness in his family and has provided several possible dates in late June for the rescheduling of the conference.

The requested short postponement does not appear to prejudice any party and would not materially constrain the Commission Staff's ability to timely investigate matters related to the proposed tariff revisions. Therefore, the status conference previously-scheduled for June 12, 2019 is hereby postponed. The rescheduling of the status conference will be announced in a subsequent procedural ruling, likely for a date in late June.

IT IS SO RULED.
