INFORMAL DOCKET C-21256

Petitioner

CERTIFICATE F4331

ORDER

BY THE COMMISSION:

Effective 30 days from the July 1, 2025, Order of Revocation entered in this proceeding, Motor Carrier Certificate F4331 held by Ricky Hollingsworth Excavating, Inc., 782 County Road 44, Eldridge, Alabama 35554, was revoked for failure to maintain proper proof of liability insurance coverage as required by law.

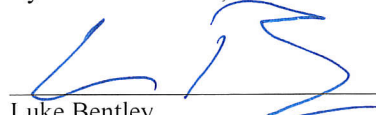

On or about August 12, 2025, the Petitioner provided information to show that the liability insurance coverage required by law had been maintained in full force and effect continuously, but proper proof of such coverage did not reach the Commission due to an error by the insurer in submitting the required documentation.

As the Petitioner has satisfactorily demonstrated that the required liability insurance coverage has been properly maintained and the Form E demonstrating such coverage has now been properly presented, it appears that the effective date of the Order of Revocation issued on July 1, 2025, should be extended.

Therefore, pursuant to the Commission's Order in Informal Docket U-4716, dated January 17, 2006, the effective date of the Order of Revocation issued on July 1, 2025, is hereby extended to and through September 30, 2025.

Jurisdiction in this proceeding will be retained for any Commission order or orders, including general orders, that may appear to be warranted in the future.

By the Commission,

Luke Bentley
Administrative Law Judge
