INFORMAL DOCKET C-21246

Petitioner

CERTIFICATE F5100

ORDER

BY THE COMMISSION:

Effective 30 days from the June 5, 2025, Order of Revocation entered in this proceeding, Motor Carrier Certificate F5100 held by Stallworth Logistics LLC, 550 Allenton Road, Pine Apple, Alabama 36768 (6940 Brandi Circle, Pinson, Alabama 35126), was revoked for failure to maintain proper proof of liability and cargo insurance coverage as required by law.

On or about August 7, 2025, the Petitioner provided information to show that the liability and cargo insurance coverage required by law had been maintained in full force and effect continuously, but proper proof of such coverage did not reach the Commission due to an error by the insurer in submitting the required documentation.

As the Petitioner has satisfactorily demonstrated that the required liability and cargo insurance coverage has been properly maintained and the Form E and Form H demonstrating such coverage have now been properly presented, it appears that the effective date of the Order of Revocation issued on June 5, 2025, should be extended.

Therefore, pursuant to the Commission's Order in Informal Docket U-4716, dated January 17, 2006, the effective date of the Order of Revocation issued on June 5, 2025, is hereby extended to and through September 30, 2025.

Jurisdiction in this proceeding will be retained for any Commission order or orders, including general orders, that may appear to be warranted in the future.

By the Commission,

Luke Bentley

Administrative Law Judge
