INFORMAL DOCKET C-20301  
CERTIFICATE F3546

ORDER

**BY THE COMMISSION:**

Effective 30 days from the May 3, 2022, Order of Revocation entered in this proceeding, Motor Carrier Certificate F3546 held by TC's Repair Service, LLC, 4410 Flint Drive, Fort Payne, Alabama 35967, was revoked for failure to maintain proper proof of liability and cargo insurance coverage as required by law.

On or about June 16, 2022, the Petitioner submitted documentation that the liability and cargo insurance coverage required by law had been maintained in full force and effect continuously, but an administrative error prevented the proper filing of the receipt of the required Form E and Form H filings.

As the Petitioner has satisfactorily demonstrated that the required liability and cargo insurance coverage has been properly maintained and the Form E and Form H demonstrating such coverage have now been properly filed, it appears that the effective date of the Order of Revocation issued on May 3, 2022, should be extended.

Therefore, pursuant to the Commission's Order in Informal Docket U-4716, dated January 17, 2006, the effective date of the Order of Revocation issued on May 3, 2022, is hereby extended to and through July 29, 2022.

Jurisdiction in this proceeding will be retained for any Commission order or orders, including general orders, that may appear to be warranted in the future.

By the Commission,
