BY THE COMMISSION:

Due to a scrivener's error in the Applicant's address, this Decision takes the place of and is substituted for the Decision entered in this cause on November 4, 2025. By application filed on or about September 26, 2025, Navicare LLC, 4132 Atlanta Highway, Suite 110 #213, Loganville, Georgia 30052, sought authority to institute a new operation as a common carrier by motor vehicle in intrastate commerce over irregular routes in the transportation of Passengers and their baggage between all points in Barbour, Bullock, Henry, Houston, Geneva, Montgomery, Lee, Pike, Dale and Russell counties, and from those counties to all points in Alabama and return.

Pursuant to notice dated September 29, 2025, the application was set for hearing and heard on October 28, 2025. No notice of intention to protest was filed and no one appeared at the hearing in opposition to the application. The application, therefore, went forward unopposed.

It appears from the record in this proceeding, and we find, that the Applicant is fit, willing and able to properly perform the service proposed and to conform with the provisions of the Alabama Motor Carrier Act and the Commission's Motor Carrier Rules and that the proposed service is required by the public convenience and necessity. IT IS FURTHER ORDERED BY THE COMMISSION, That the operations herein authorized may be commenced only after the Applicant has filed with this Commission evidence of liability insurance and a tariff, and has obtained registration numbers and properly identified its vehicles as required by the rules and regulations of this Commission.
