PUBLIC SERVICE COMMISSION
OF THE STATE OF ALABAMA**

In the Matter of the Application of)
NEXTERA ENERGY PIPELINE HOLDINGS) Docket No. 32978
(LOWMAN), INC.)

NOTICE OF INTERVENTION

Comes now Lonnie L. Bruton, one of the affected landowners in this matter, and Intervenes as is his right pursuant to Ala. Code § 37-2-4.1 on the following grounds:

1. The first setting of this matter for public hearing was on December 12, 2019.

2. The notice required by Ala. Code § 37-2-4.1 was not provided to me in time to allow me to be heard and to participate in the December 12, 2019 certificate proceeding.

3. I am exercising my statutory right to be heard and participate in the supplemental hearing scheduled in this matter for March 24, 2020.

4. I am opposing NextEra's application for a Certificate of Public Convenience and Necessity as I believe it is not in the public interest and in fact would cause harm to the public.

5. My statutory right to be heard and participate in these proceedings will be prejudiced if the Commission does not allow me to be heard and participate in the supplemental hearing scheduled for March 24, 2020.

For the foregoing reasons, Intervenor Lonnie L. Bruton moves this Commission to allow all affected landowners to be heard and participate in the supplemental hearing scheduled in this matter for March 24, 2020.
