Re: Approval of the Interconnection Agreement* Negotiated by BellSouth Telecommunications, LLC, d/b/a AT&T Alabama (“AT&T Alabama”) and Capital Communications Consultants, Inc., Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 (“the Act”)

Original Agreement Effective Date: March 16, 2012
Expiration Date of Agreement: May 19, 2013
CLEC Certification No.: 31503

Dear Mr. Thomas:

Pursuant to Section 252(e) of the Act, AT&T Alabama and **Capital Communications Consultants, Inc.**, are submitting to the Alabama Public Service Commission (“Commission”), an agreement for the interconnection of their networks and the unbundling of specific network elements offered by AT&T Alabama. The agreement was negotiated pursuant to Sections 251 and 252 of the Act.

Pursuant to Section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between AT&T Alabama and **Capital Communications Consultants, Inc.**, within 90 days of its submission. The Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exists as to the agreement they have negotiated and that the Commission should approve their agreement.

Sincerely yours,

Francis B. Semmes
