**RE: TNC PERMIT RENEWAL APPLICATION  
FOR RASIER, LLC**

**DOCKET 32779**

**PERMIT TNC-1**

**ORDER**

**BY THE COMMISSION:**

Pursuant to Rule TNC-3, in order to renew a transportation network company ("TNC") permit, a TNC shall submit a permit renewal form on or before the close of business on July 1<sup>st</sup> each year. To renew its TNC permit, Rasier, LLC (aka "Uber") submitted an APSC Form TNC-2 on June 24, 2026. APSC Form TNC-2 requires a TNC to affirm compliance with the statutory requirements as compiled in Rule TNC-3 and to submit any documents that were included in the initial TNC permit application that have changed since the submission of the initial permit application.

Commission Staff reviewed Uber's permit renewal application and the submitted documents that have changed since the initial permit application. Based on this review, Commission Staff concluded that Uber meets the statutory and regulatory requirements to operate as a TNC in the State of Alabama and recommended that Uber's TNC permit be renewed for this year beginning July 1, 2026.

**IT IS THEREFORE ORDERED**, that Permit TNC-1 is hereby renewed for Rasier, LLC with an effective date of July 1, 2026.

**IT IS FURTHER ORDERED**, that the operations herein authorized shall be subject to all the rights, privileges, and immunities, as well as all the restrictions, liabilities, and responsibilities that are now or may hereafter be imposed upon TNCs by law or by the rules and regulations of this Commission.

**IT IS FURTHER ORDERED**, that jurisdiction in this cause is retained for whatever order or orders deemed appropriate by the Commission.

**DONE** at Montgomery, Alabama this 8<sup>th</sup> day of July 2026.
