**BY THE COMMISSION:**

By application filed on January 22, 2026, Wire 3 LLC, 4 Commercial Street, 6th Floor, Rochester, New York 14614, seeks a Certificate of Public Convenience and Necessity to provide telecommunications services in the State of Alabama.

Pursuant to notice dated February 9, 2026, the application was heard on March 11, 2026. The Applicant's CEO, Jai Ramachandran, testified at the hearing. Members of the Commission Staff also participated in the hearing. There were no intervenors.

It appears from the record in this proceeding, and we find, that the Applicant has demonstrated that it possesses the technical, managerial, and financial resources to provide the services proposed. Accordingly, it appears that the Applicant should be granted a certificate authorizing the provision of facilities-based and resold telecommunications services, including local exchange and exchange access services, consistent with the services similarly situated applicants have been authorized to provide.

The services authorized herein must be provided in compliance with the rules, regulations, and orders governing such service established by the Commission. To the extent the Applicant offers services

requiring execution of an interconnection agreement under state or federal law, it shall submit such agreement for Commission approval. Failure to comply with this requirement shall result in the termination of the authority granted herein.

IT IS, THEREFORE, ORDERED BY THE COMMISSION, that a Certificate of Public Convenience and Necessity is hereby issued to Wire 3 LLC, 4 Commercial Street, 6th Floor, Rochester, New York 14614, authorizing operations as a provider of facilities-based and resold telecommunications services in all areas of the State of Alabama.

IT IS FURTHER ORDERED BY THE COMMISSION, That the services herein authorized may be commenced only after the Applicant has filed with this Commission a final tariff governing said services which has been approved by the Commission and an interconnection/resale contract or agreement with all applicable incumbent local exchange carriers. Unless the Applicant complies with these requirements within one (1) year after the date of this Order, or within such additional time as may be authorized by the Commission, the grant of authority made in this Order shall be considered as null and void and the petition shall stand denied in its entirety effective upon the expiration of said compliance time.

IT IS FURTHER ORDERED BY THE COMMISSION, that any changes, including name, address, telephone number(s), contact personnel, or other pertinent information concerning the Applicant, shall be filed with this Commission by written transmittal letter within thirty (30) days of such change.

IT IS FURTHER ORDERED BY THE COMMISSION, that the Applicant shall render sufficient and continuous service in accordance with the rules and regulations of the Commission and the Certificate of Public Convenience and Necessity issued herein.

IT IS FURTHER ORDERED BY THE COMMISSION, that the Applicant shall file annual reports and shall maintain adequate books of account and financial records in accordance with the rules and

regulations promulgated by this Commission. Said books and records shall separate the telephone service from all other businesses in which the Applicant may be engaged.

IT IS FURTHER ORDERED, that jurisdiction in this cause is retained for the issuance of any further order or orders as this Commission may find just and reasonable.

IT IS FURTHER ORDERED, that this Order shall be effective as of the date hereof.
