**Re: COMMUNITY UTILITIES OF ALABAMA,  
INC. APPLICATION TO MODIFY  
CERTIFICATE OF FINANCIAL VIABILITY**

**DOCKET 32553**

**ORDER APPROVING THE ADDITION OF  
HARMONY COVE COTTAGES TO THE CERTIFICATE**

**BY THE COMMISSION:**

Rule WW-3(3) and WW-5 of the Commission's Wastewater Management Entity Rules require that Management Entities ("MEs") seek Commission approval before expanding the service territory specifically authorized under the ME's existing Certificate of Financial Viability ("Certificate").

By application filed on or about October 27, 2022, Community Utilities of Alabama Inc., ("CUA") seeks Commission approval to expand the service territory applicable to its existing Certificate. The requested modification adds Harmony Cove Cottages in Elmore County, AL to CUA's authorized service territory.

The collection systems consist of a 4000 GPD flow equalization tank and a six-bed disposal field. Harmony Cove Cottages wastewater system will accommodate 12 residential single-family homes.

Upon thorough review of CUA's application, Staff recommends that it be approved. The Commission concurs with Staff's recommendation.

**IT IS THEREFORE ORDERED** that the Certificate of Financial Viability for Community Utilities of Alabama, Inc. is hereby amended by expanding its authorized service territory to include the Harmony Cove Cottages wastewater system as referenced herein.

**IT IS FURTHER ORDERED** That jurisdiction in this cause is retained for whatever Order or Orders are deemed appropriate by the Commission.

**IT IS FURTHER ORDERED** That this Order shall be effective as of the date hereof.

**DONE** at Montgomery, Alabama, this 6th day of December, 2022.
